

SMARTPHONE INTERACTIVE CAMPUS ART TRAIL

Direct access to the web pages is also available at www.tcd.ie/artcollections/art-campus

Special thanks to Prof. Mícheál Mac an Airchinnigh and Shane Brennan, School of Computer Science, TCD, for their friendly assistance and support – both creative and technical

Instructions: Smartphone users can download a free 'QR tag reader' app to scan the codes which can be downloaded from the art collections website as a pdf document. Each tag will be accompanied by an image and brief description of the artwork

Simply open the QR app once downloaded. This automatically opens the smartphone camera.

Hover the camera over the black and white tag and your phone will be directed to the relevant page on the Trinity College Dublin Art Collections website where you can access more information on the artist and work. Enjoy!
