WEINGREEN MUSEUM OF BIBLICAL ANTIQUITIES

Curator. Zuleika Rodgers, B.A., PH.D.

The museum is located in the Arts and Social Sciences Building, and received its present title in 1977 in recognition of Dr Weingreen’s efforts in the creation of the museum. The museum consists mainly of pottery and other artefacts from the ancient near east. The collection was started in 1952 with an important gift of pottery and small objects from the Wellcome Trust, while from the year 1953 allocations were received from the Jericho and Jerusalem archaeological expeditions, to which the College had made annual contributions. Another substantial gift was received from the Wellcome Trust in 1956. A collection of Egyptian and Babylonian antiquities was added in 1957. In 1961 the late Lord Crookshank bequeathed a collection of Egyptian antiquities, Greek and Roman coins, Roman lamps, and leaves from seventeenth and eighteenth century Torah scrolls to the museum. Some pottery from excavations at Buseirah, Jordan, was added in 1977. Further donations have been made by the Hebrew University of Jerusalem, Professor Anne Crookshank, Dr D. B. Harden and Dr C.-M. Bennett. Loans of relevant antiquities for temporary display are welcome; the museum currently has on loan from Mrs J. L’Amie a Samaritan Pentateuch and a Hebrew Scroll of Esther. The museum is a member of the Irish Museums Association.

The museum exists to further scholarly research and teaching. Posters and postcards of some major exhibits are available. Visiting scholars, school parties, and members of the public, are welcome to visit, by appointment, during teaching term. Applications should be made in writing to the Curator of the Weingreen Museum, Arts and Social Sciences Building, Trinity College, Dublin 2.

A further five acres were acquired in 1966 when the Dublin University Botanic Garden was transferred to part of the grounds of Trinity Hall.

COLLEGE GALLERY

Keeper. Peter George Cherry, M.A., PH.D.

The College Gallery is a collection of original paintings, drawings and prints which may be hired by students who live in College or in Trinity Hall and also by staff who have offices and rooms in College. It was founded in 1959 with a grant from the Trinity Trust and received substantial support from the Gulbenkian Foundation and the Arts Council. A number of individuals have given pictures, although most are from the collection of Professor George Dawson. A full retrospective exhibition of the collection was held in the Douglas Hyde Gallery in 1980. The collection includes over a hundred original paintings (including works by Karel Appel, David Godbold, Asgar Jorn, Louis Le Brocquy, Roy Lichtenstein, Ed Meneely, William Scott, Jack Yeats) and over two hundred etchings, lithographs and silkscreen prints (including works by Albers, Braque, Hockney, Picasso, Rouault, Soulages and Vasarely, as well as many contemporary Irish artists). An additional collection of two hundred framed reproductions was phased out in 1982 and replaced by a series of framed artists’ posters, the gift of Professor G. W. P. Dawson, which includes the work of many major European and American artists. A selection of the pictures are distributed annually by ballot after a short exhibition in the Douglas Hyde Gallery at the beginning of the Michaelmas term. The hire charge for the year is €10 for students, €20 for staff.

The Trinity College Dublin Trust was established in 1955 to continue and amplify the work of the Trinity College (Dublin) Educational Endowment Fund, which owed its inception to the initiative of the late Sir Robert Woods. The aim of the Trust is both to build up a capital sum large enough to augment substantially the existing endowments of the College, and to make grants to the College for the promotion of research or education in its widest sense.

The funds of the Trinity College Dublin Trust are administered by the standing committee of the Trinity College Dublin Association and Trust.

Subscriptions and donations to the Trinity College Dublin Trust may be sent to the Financial Secretary, Trinity College Dublin Association and Trust, East Chapel, Trinity College, Dublin 2.

Cheques should be made payable to the Trinity College Dublin Trust.

Grant applications are only considered at the meetings of the standing committee of the T.C.D. Association and Trust held in November, February and May of each year.

The deadlines for the receipt of applications are as follows: 6 October for the November meeting, 12 January for the February meeting and 5 April for the May meeting.

All applications must be made on the official form obtainable from the Secretary, Trinity College Dublin Association and Trust, East Chapel, Trinity College, Dublin 2.

The London Trust for Trinity College Dublin was constituted on 9 July 1980 as a charitable trust for the advancement of education generally and of higher education at Trinity College Dublin. Since 2004 the Trust is known as the U.K. Trust for Trinity College Dublin. The Trust is registered with the Charity Commissioners for England and Wales.

Exemption from United Kingdom inheritance tax may be claimed in respect of lifetime gifts and legacies by will given to the U.K. Trust for the benefit of Trinity College by donors domiciled in the United Kingdom.

DEAN OF STUDENTS

The overall experience of students at Trinity is based on a mixture of the academic programmes, student services and the many social activities, including societies and clubs. The role of the Dean of Students is primarily concerned with developing an integrated and balanced policy in the non-academic areas. The Dean chairs committees relevant to the provision of student services, such as the Student Services Committee, one of the main functions of which is to consider how student services (including in alphabetical order: careers, chaplaincy, counselling, day nursery, disability, health, sport and tutorial services) should develop in the future, and to identify the priority actions for College. The Dean also chairs the Residences Management Committee, responsible for overseeing the management of residences on campus and at Trinity Hall.

UNIVERSITY OF DUBLIN CAREERS ADVISORY SERVICE

In 1902 a University Appointments Association was formed to assist students and graduates of the University to obtain appointments and employment at home and abroad.

In 1953 the work was transferred to the Appointments Office, under the control of an executive committee and a full-time appointments staff.

In 1971 the title was changed to Careers and Appointments Service with a further change in title in 1995 to Careers Advisory Service.

The purpose of the Careers Advisory Service is to facilitate students and recent graduates of the College in making and implementing informed decisions about their future career and achieving their own objectives in a context of contribution to the community and society at large.
The main aims of the Service are:

(i) To help students and recent graduates of the College to understand the process of career choice; to assist them with clarifying their skills, interests and motivations, then to help them to reflect on these and on the appropriateness of further study or training in order to make an informed decision about future career direction and to take responsibility for the management of their career.

(ii) To provide access to a range of information resources to help students and recent graduates identify appropriate opportunities.

(iii) To promote the employability of Trinity graduates by helping students to understand and develop the necessary skills to equip them for whatever direction they choose after graduation.

(iv) To offer employers an efficient and effective service to help them meet and recruit students and graduates, to inform them about the College and to market the College to them.

(v) To work collaboratively with staff in all faculties, schools and departments in the College, keeping them informed about the state of the market for graduates and about issues affecting the employment of the College’s graduates.

(vi) To maintain and develop the professional standards of the Careers Service while adapting to meet changing needs.

These aims are achieved through the provision of specific services including: individual advice, aptitude, personality and interest testing, skills workshops, computerised vocational guidance and the publication of vacancies at the Careers Service website.

The Service is mainly concerned with individuals who are making their first choice of career although it does, from time to time, receive notice of vacancies open to older and more experienced graduates.

It is important that undergraduates should make contact with the Service early in the first term in their final year in College. Much recruitment of prospective graduates takes place early in the calendar year and the closing date for application for some postgraduate courses or awards is as early as November in the year before graduation.

The Service operates all the year round including limited opening during the summer vacation. The pressure on the individual advice service during the period from October to March inclusive is severe so people who make contact outside that period help to spread the burden more evenly.

**Regulations**

Any past or present member of the College may register, subject to the following regulations:

1. Individuals must obtain a registration form from the receptionist (or download it from the Service website), complete and return it to the Careers Advisory Service.

2. The Director of the Careers Advisory Service reserves the right, without giving reasons, to decline to register any individual, to remove any individual’s name from the register, and to put forward or decline to put forward the name of any candidate for any given vacancy.

3. There is no registration fee for undergraduates, graduates or postgraduates. However nominal charges may be made for specific services and details of these are available from the receptionist.

**COLLEGE HEALTH SERVICE**

The College Health Service is available to all full-time registered students throughout the year. The service is open from 9.30 a.m. to 4.40 p.m., Monday to Friday. The telephones are manned until 5 p.m. Sessions, attended by one of the medical officers, are held daily and appointments should be made with the secretary. The nurse is in attendance from 9.30 a.m. to 4.30 p.m. The psychiatrists are also in attendance for a number of sessions each week and will see students referred by one of the medical officers or student counsellors. The physiotherapist is in session five days a week from...
October to June in the Physiotherapy Department, situated beside the Health Service on the ground floor of house 52.

**Emergency cover and home visits**

In certain cases of real need a medical officer or deputising service will attend the student at his or her place of residence providing that this is within a three mile radius of College. Outside office hours in cases of emergencies students should contact DUBDOC, weekdays 6 p.m. – 10 p.m., weekends and bank holidays 10 a.m. – 7 p.m. The telephone number for this service is 4545607. The service is based in St James’s Hospital. The DUBDOC triage nurse will give telephone advice, arrange a house call or offer emergency consultation with a GP on duty in St James’s Hospital. Students (with the exception of non-Irish EU students with medical card eligibility or students with medical cards) will be responsible for any fees incurred for consultation or home visit. Outside these hours please telephone Contractors Medical Bureau 8300244, who will send a doctor on request. Students (with the exception of medical card holders) will be responsible for any fees incurred for home visits.

**Hospital treatment**

Hospital treatment is supplied under the Hospital Services Scheme. The student will be responsible for any charges and fees incurred as a public or private patient while in hospital.

**Certificates**

Medical certificates will only be issued following consultation at the College Health Service for those students with symptoms who have been certified for an absence of four or more days. All medical information is confidential and will not be disclosed without the student’s permission.

**Overseas students**

All U.K. and E.U. students who are entitled to health benefits under E.U. legislation should attend the Student Health desk at registration. They are requested to present their National Health Service card or European Health card. Overseas students not eligible for health benefits under E.U. regulations are strongly advised to take out private medical insurance to cover medical costs which they may incur during their period of study here.

**Charges**

Attendance at the College Health Service is available free to full-time registered students. There are charges to cover the costs for smears, vaccinations, cryotherapy, pregnancy tests, emergency contraception and blood tests. Staff members are facilitated normally by appointment between 9 a.m. and 10 a.m. for a GP consultation fee of €40. With regard to physiotherapy, there is a charge of €15 per visit for students and €30 for staff.

The College Health Service is not responsible for medical attention not sanctioned by one of its medical officers.

**STUDENT COUNSELLING SERVICE**

The Student Counselling Service was established in 1972. It seeks to assist students in integrating into the academic programme and community life of the College. The service works with academic schools, departments, administrative offices and other student services in support of the aims of the Broad Curriculum and College policy, particularly in the area of equity, anti-discrimination, access and retention.

The purpose of the service is to provide confidential and professional counselling to students at times of personal challenge and to work proactively and collaboratively within the College to promote positive mental health and provide student-friendly resources. Through individual
Societies and other institutions

counselling and group programmes (study skills and personal development), students are assisted in
developing personal, interpersonal and academic skills necessary for College and life after
graduation.

The service is available free of charge to all registered students of the College. The provision of
services is governed by available resources and regulations and policies that include the Director’s
obligations concerning the exclusion of students. The service operates in adherence with a code of
professional ethics. Appointments can be made by calling in to the service or by telephoning
896 1407. The waiting period for an appointment varies from a couple of days to two weeks.
Emergency or crisis intervention services are provided on a daily basis.

COLLEGE DAY NURSERY

The College Day Nursery is run by a committee and is recognised as a College activity. It caters
for the children of College students and staff and is situated in Nos 49/50 College. Further
information (including charges) can be obtained from the Supervisor (tel. 896 1938 or 896 2277). There
is also a Montessori class on five mornings a week which is run by the Day Nursery
Supervisor (tel. 896 2057). Website: www.tcd.ie/info/services/daynursery/

VOLUNTARY TUITION PROGRAMME*

The Voluntary Tuition Programme is a partnership between Trinity students, parents and
volunteers from local communities, including St Andrew’s Resource Centre. Every year about four
hundred Trinity students tutor both primary and secondary pupils studying in nearby schools. The
principal aims of the programme are to develop an interest in learning, allowing pupils to reach their
full potential and to encourage them to remain in the education system. Tutors on the programme are
students and staff at Trinity College and graduates who worked on the programme while at College.
