MSc in International Management
Launch your global career with our top-ranked programme

This programme is specifically designed for business graduates who wish to pursue an international career or work in organisations that target global markets.

The intensive programme equips students with the knowledge and the practical skills to operate within the global business environment and develop the cultural acumen to communicate and negotiate in different cultures and global markets. Students also have the option to customise their degree with a range of exciting and diverse electives.

“Our aim is to produce culturally sensitive and strategically minded graduates, able to pursue management careers in today’s international business environment.

Students are equipped with an in-depth understanding of all key areas of business and the global eco-system of diverse cultures, economies, political systems and intrigue. Our faculty is highly international and 22 nationalities were represented in the class of 2017/18.

The highlight of the programme is an exciting international residency week in Asia that brings in-class learning to life.”

International Residency
International residency week in Asia
This programme added a great variety of managerial expertise to my undergraduate studies in Economics. The unique atmosphere of cultural diversity, combined with lectures in Shanghai, expanded my knowledge of international business.

It provided me with the skillset needed to plan and drive forward large post-merger integration projects as a management consultant.
