**Transcripts** are sent to home university coordinators usually within 6 weeks after the official end of the semester. Please note that we do not convert our grades for international universities. Each partner university will convert the grades obtained by its students according to its own criteria. A detailed explanation of ESSEC Global BBA’s grading system is sent systematically to the home university with the transcripts.

**Re-sit exams**: No re-sits or make-up exams are available to students.

Housing, health, visa and budget

**Near-campus housing with Alegessec** is available, and priority is given to international students if they apply by the stipulated deadline.

Alegessec (ESSEC housing department) offers 1,095 studios across four residences in Cergy only 35 minutes from Paris. Discover a student life rich in cultural exchanges – over 50% are international students – and the pleasure of living near your campus and comrades.

**Medical cover**

International students who enrol in a French educational institution are obliged by the French government to enrol in the French Social Security Healthcare system. Enrolment costs around 218€ (amount revised annually) to be paid online by credit card. EU students are exempted from that regulation but must provide a copy of their European Health Insurance Card (EHIC).

Besides EHIC or Social Security, we recommend that students take out a private insurance that covers repatriation, hospitalization, personal liability, etc.
