Literacy Changes Everything

Places Available in India!

Volunteer in India as a teaching assistant for 8 weeks in summer 2019.

Make a Difference

Support local teachers and bring new ideas, energy and enthusiasm to schools and educational centres in India.

Live and work in communities where children often miss out on educational opportunities.

Global Perspectives

Learn about the complex issues that are at play both locally and globally that create conditions of inequality, and what you can do upon your return to Ireland to help tackle them.

Personal & Professional Development

You will receive training before, during and after your placement.

No previous teaching experience is required. Key skills you will develop are: teamwork, leadership, critical thinking, creativity and resilience.

Take on a rewarding challenge this summer and have the experience of a lifetime
