CLU22423 Latin in Progress with Project
(SF)

Module Code	CLU22423
Module Name	Latin in Progress with Project
ECTS Weighting	10 ECTS
Semester taught	Semester 1
Module Coordinator	Prof. Monica Gale
Module Learning Outcomes with embedded Graduate Attributes	On successful completion of this module, students should be able to: LO1. Manage an extensive Latin vocabulary LO2. Recognise and analyse complex grammatical and syntactical structures LO3. Translate passages of unadapted Latin verse and prose texts from a range of genres and periods into idiomatic English, with attention to register and style LO4. Conduct independent research on a text/topic of their own choice.
Module Content	This module aims to consolidate your understanding of Latin grammar and pragmatics, further refine your translation, philological and critical skills, and broaden your familiarity with Latin idiom and style. Close analysis of texts from a range of periods and genres, including examples drawn from outside the traditional canon, will enable you by the end of the module to read Latin prose and verse with confidence and precision. The 10-ECTS version of this module includes a substantial element of independent research on a text/topic to be agreed with the module coordinator.
Teaching and Learning Methods	Small group classes, supported by on-line resources; 5 hours of dedicated project supervision.
