

**CLU23325 Greek Practice Project
(SF)**

Module Code	CLU23325
Module Name	Greek Practice Project
ECTS Weighting	10 ECTS
Semester taught	Semester 1 or 2
Module Coordinator/s	Dr Martine Cuypers
Module Learning Outcomes with embedded Graduate Attributes	<p>On successful completion of this module, students should be able to:</p> <p>LO1. Develop and pitch a suitable idea for a practice-based project</p> <p>LO2. Write, manage and execute a project plan with tasks, milestones and deliverables</p> <p>LO3. Communicate effectively with stakeholders, both orally and in writing</p> <p>LO4. Work effectively in a small team</p> <p>LO5. Conduct a project evaluation and capture learning</p>
Module Content	<p>This module gives students of the language, literature and thought of ancient Greece an opportunity to translate their expertise into a project for a non-academic audience in a school, organisation, community or business setting. Supported by the module coordinator, you will design, prepare, execute and evaluate your own educational, artistic or commercial project, and in the process gain entrepreneurship and project management experience, transfer skills and knowledge from your course, and explore the relevance of ancient Greece today.</p>
Teaching and Learning Methods	Practice-based individual or group project.
