CLU33381 Greek Close Reading
(JS)

Module Code	CLU33381
Module Name	Greek Close Reading
ECTS Weighting	5 ECTS
Semester taught	Semester 1
Module Coordinator/s	Dr Shane Wallace

Module Learning Outcomes with embedded Graduate Attributes	On successful completion of this module, students should be able to: LO1. Fluently read Greek texts of moderate difficulty with the aid of dictionaries and commentaries LO2. Translate and analyse the prescribed text LO3. Produce a cohesive and fully-supported close reading of a given passage, including comment on style, register, rhetorical features and literary tropes. LO4. Translate unseen Greek extracts of similar difficulty / genre, style or content as the studied Greek texts into idiomatic English. LO5. Comment on the relation of the prescribed text to its historical, literary and cultural contexts.
Module Content	In this module students will be introduced to either a single-author text or a selection of texts from one or more different genres, including but not limited to poetry, comedy, philosophy, historiography, etc. Each class will focus on a different section of text or theme and will consist of a mix of translation, textual analysis, and discussion. Students will apply their experience in Greek grammar to close reading and analysis of ancient Greek texts.
Teaching and Learning Methods	Two one-hour classes per week
