

## HEALTH SCREENING & VACCINATION

### STUDENT INFORMATION BOOKLET 2022/23

#### WHAT TO DO:

As soon as a student receives their offer, they must complete the Trinity College Health Screening process and have their bloods screened as specified on this form. They may attend College Health Service, in Trinity College, or a registered GP of their choice to complete this process.

#### 1. College Health Service, Trinity College:

##### Check-List

Booking in with College Health Service

- To book an appointment for your Health Screening with the College Health Service, please Telephone on + 353 (1) 8961556 or + 353 (1) 8961591. This clinic is located on Campus in Trinity College.
- Please obtain official copies of childhood immunisation records prior to attendance. You may obtain these records from your local HSE immunisation office or the clinic where these immunisations were administered. If you cannot obtain these records before your appointment, you may still attend.
- You are required to obtain vaccine records for the following, where possible:
  1. BCG immunisation record
  2. 2 records of MMR vaccine
  3. 2 records of Varicella vaccine\*
  4. \*If you have not previously received varicella vaccines, you may submit a blood test result for Varicella IgG.

**Please note:** The College Health Service is cashless, payment must be made payable to College Health Service TCD by Credit Card, Debit Card, or T-Card

- x3 hepatitis B vaccines €120, alternatively pay separately €40 per vaccine.
- IGRA testing ( if required ) €80
- Varicella ( if required ) €70 per vaccine
- MMR vaccine – free of charge (\* please have your PPS number \*)
- Health Screening blood samples €90

**Please note:** this is not covered by medical card. Please contact College Health for any further information on costs.

**Regarding Covid-19 vaccination:** all incoming students will be required to provide proof of vaccination to your school. Please provide your relevant school with proof of vaccination.

## **2. A Registered GP or Occupational Health Clinic**

### Check-List

- Make an appointment with your registered GP
- Obtain copies of your childhood **BCG and MMR vaccine** records from your local Immunisation Office / GP /Vaccine clinic.
- Bring this booklet and copies of your BCG, MMR and Varicella vaccine records to your appointment where available.
- When the above is completed and you have received your blood test results, please either
  1. Upload these along with your vaccine records to Team's Health Screening portal. This can be found on the [Health Screening - Student Life - Trinity College Dublin \(tcd.ie\)](https://www.tcd.ie/Health_Screening_-_Student_Life) If you have any issues regarding the portal, please contact College Health on **01 8961591, 01 8961556, 01 896 8555**.
  2. Or in the case the Teams Health Screening portal is unavailable, please email the documentation to [prereg@tcd.ie](mailto:prereg@tcd.ie) (**please note: only actual lab results will be accepted for blood test results and vaccine records**).

**\*Important\* Dental Students only:** any students entering the School of Dental Science must email their immunisation records and health screening to [aisling.thompson@dental.tcd.ie](mailto:aisling.thompson@dental.tcd.ie).

**For any further questions, please contact the relevant person in your school or the College Health Service on 01 8961591, 01 8961556.**

**Deadline for Health Screening to be submitted:** Your Health Screening must be completed and submitted to your school one week prior to your first hepatitis vaccination to be able to proceed with your vaccination. Please contact your School for dates, see contact information on the following page.

**Covid Vaccination:** Please provide evidence of your covid vaccination to your school, contact information on the following page.
