The Provost advised Board that Professor Stokes had declined the role of Assistant Junior Dean but had indicated that she would be happy to assist the current Junior Dean should the need arise. The Board noted the value of separating the roles of Registrar of Chambers and Junior Dean.

BD/12-13/009 C&AG Special Report (see minute BD/11-12/288 of 27 June 2012)
The Provost advised Board that he had been in correspondence with the Chair of the Board of St. James’s Hospital in relation to those administrative hospital staff who had been recruited by the College. The Board noted that assurance has been provided that the College duties of the relevant staff do not form part of their contractual arrangements with the Hospital and that clarification was now being sought as to the arrangements for their release from St James’s to perform their contractual duties with the College. The Board confirmed that if appropriate release provisions were not in place the contractual arrangements with these staff members will be terminated with effect from September 2012.

In response to a query, the Provost advised Board that a resolution with the HEA had been reached in relation to what the HEA had categorized as unauthorized allowances. The Vice-Provost for Global Relations advised Board that the Global Relations Strategy had been launched on 10 September 2012 and had been generally well received. She advised Board that work is progressing to ensure the successful implementation of the strategy. The Board noted the success of a recent student recruitment initiative in India and the success of the Bollywood film ‘Ek Tha Tiger’ which was filmed on campus and will be seen by over 200 million people worldwide.

(iv) **START Review**
The Provost advised Board that the implementation of recommendations from the START review will now begin and that he will keep Board advised as matters progress.

(v) **Bursar**
The Board congratulated the Bursar on his new appointment as the new Vice-Chancellor and President of the University of South Australia (UniSA) in Adelaide.

BD/12-13/015 **RIAM - Associated College**
The Provost invited Board’s attention to a memorandum, dated 5 September 2012, which had been circulated. He advised Board that negotiations with the Royal Irish Academy of Music (RIAM) over the summer period had proved successful and he commended those involved in the process. The Board noted that the Head of School of Drama, Film and Music and the Head of School of Education fully support the proposal that the RIAM become an Associated College particularly as there has been a history of collaboration between the parties over many years. The Board also noted that the initiative will strengthen the College’s position in dramatic arts and will enable possible collaboration between The Lir and the RIAM, as well as international collaborations in the future.

The Provost invited Board’s attention to the financial plan, noting that if the proposals go ahead the College will receive payment from the RIAM for validating their degrees and there would be no negative financial implications for the College. In response to a query, the Provost advised Board that the availability of student services to RIAM students will form part of the negotiation process. In response to a query, the Board noted that the RIAM will be able to brand itself as an Associated College of Trinity College Dublin.

The Board welcomed the initiative, noting that the proposals would now go to Council for consideration before returning to Board for final approval.

BD/12-13/016 **Code of Governance**
The Secretary invited Board’s attention to a memorandum, dated 5 September 2012, which had been circulated together with the HEA-IUA Code of Governance. She advised Board that the Department of Finance had issued a revised Code for the governance of State Bodies in May 2009 which updates the previous 2001 Code. The Secretary advised that many of the required updates had been anticipated in the 2007 sectoral code and reflected in the College’s 2008 Code of Governance. She further...
advised that IUA Secretaries Group, in consultation with other IUA Groups, had developed a revised sectoral code to take account of the 2009 requirements.

The Secretary invited Board’s attention to the proposed revisions, noting in particular Part III of the document outlining changes which require amendment. In response to a query, the Secretary advised Board that as the College’s Statutes, which make provision for the Provost to be Chief Officer and Chairperson of the Board, had been in existence prior to the enactment of the Universities Act in 1997, there is no need to seek Ministerial consent for the joint role as required under the Code. The Board also noted that a Whistle Blowing policy would be developed when the forthcoming legislation is introduced.

The Board approved the HEA-IUA code as presented, noting the need to amend the College’s Code of Governance in line with the sectoral code. The Board also agreed that nominations for a sub-group of Board to effect the necessary changes would be presented to Board at its next meeting.

**BD/12-13/017 Membership of Principal Committees**

The Registrar invited Board’s attention to a memorandum, dated 5 September 2012, which had been circulated proposing membership of Board Committees and she noted that the Heads of School nominees will be identified by the Heads of School Committee. In response to a query, she advised Board that she had written to the Heads of School Committee reminding them to consider the issue of gender balance when making their nominations.

The Treasurer, noting a recommendation that the Finance Committee includes among its members external members with financial expertise, invited Board’s attention to the nomination of Mr Jon Gorringe, former Director of Finance in the University of Edinburgh.

The Registrar also advised Board of a proposal that a representative from the College’s Group of Unions be appointed to the Human Resources Committee, which had been the practice prior to the establishment of the Partnership Agreement. Noting the views of Board members, the Board agreed that the Chair of the Human Resources Committee together with the Director of Human Resources, following consultation with relevant areas, would bring a nomination to Board for an external member of the Human Resources Committee with human resources and industrial relations expertise. The Board noted the dissent of Professor Gibbons to this decision.

The Board approved the nominations as presented and recorded in Appendix 1 to this minute.

**BD/12-13/018 Visitors**

The Secretary advised the Board of the outcome of a recent Visitor case and that the outcomes of two further cases are awaited.

**BD/12-13/019 Towards a Future Higher Education Landscape**

**Incorporating any amendments approved at subsequent Board meetings**
July 2012 presenting proposals on Trinity’s position in the future landscape of the Irish Higher Education Sector under the following headings:

1. **Mission**  
The Board noted the College’s mission as a university of global consequence and Ireland’s leading university on the world stage.

2. **Student Profile**  
The Provost advised Board of the College’s plan to diversify its cohort of students, noting that the College’s ability to increase student numbers will be dependent on future funding.

3. **Clusters**  
The Board noted that the College is already involved in many clusters and has plans to develop these further in the future.

4. **Consolidation**  
The Provost noted the value of collaborations with other institutions as opposed to the principles of consolidation outlined in the HEA report.

5. **Existing Collaborations and Collaborative Initiatives**  
The Provost invited Board’s attention to the many collaborations in which the College is involved including the Innovation Academy with UCD. He advised Board of the long history of collaboration with DIT and the Dublin Dental Hospital as well as more recent collaborations to establish Trinity Health and the current proposed collaboration with the Royal Irish Academy of Music.

During the course of a discussion, Board members expressed concern at the uncertainty regarding the proposals that may come from the Department of Education and Skills following this consultation process and the requirement on the part of the College to accept proposals resulting from the landscape exercise. The Provost advised Board that the College’s response to the document sets out how the College is fulfilling its role locally but also demonstrates that the College is a global university. The Board noted the merit in publishing the College document in order to encourage public debate on the matter.

The Board agreed that a comprehensive communication strategy be developed to facilitate the publication of the report taking into account the perspectives of various stakeholders. The Board also agreed that legal advice would be sought on behalf of the Board on the matter of autonomy and the Universities Act 1997 so as to ascertain the College’s position should proposals not be in accordance with its own strategic plans.

**BD/12-13/020 College Secretary**  
Under Other Business, the Board approved the following transition arrangements for the post of College Secretary. Mr Coman, the incoming Secretary, will start in College on 17 September 2012 and will take over the role of Secretary on 18 October 2012. During this period Mr Coman will act as Secretary Designate and after 18 October 2012 Ms FitzGerald will support Mr Coman in his role as Secretary until her departure on 9 November 2012. The Board noted that Ms FitzGerald will attend her last Board meeting on 7 November 2012 as an observer.
