Glossary of Terms

To help you on your way, here are a few terms you’ll come across in the resources for exploring your pathway options:

- **New Minor Subject**: A new subject you can choose to take up in your 2nd year if you are on a Single Honors (non-professional) programme
- **Modules**: The different classes that make up your course
- **Credits**: Each Module is worth either 5 or 10 credits and you must take 60 credits in a year
- **Trinity Electives**: Stand-alone modules that are completely outside of your programme, worth 5 credits
- **Capstone Project**: An independent piece of research that you carry out in your final year, worth 20 credits
- **Open Modules**: Modules that are run as part of or by another programme but that are complementary and related to your own programme, worth 5 or 10 credits
- **Trinity Graduate Attributes**: The qualities, skills and behaviours that Trinity students will have the opportunity to develop during their programme of study: to think independently; to communicate effectively; to develop continuously; to act responsibly.
