Interviews

Interviews will take place in May.

Trainer interviews, for those shortlisted for the first time, will last approximately 15 minutes and will be scheduled for the afternoon. It should be noted that a trainer can only supervise one student from the practice in any given year.

Candidates will have an interview and, if current Covid restrictions allow, a practical assessment, in which they will be asked to perform some basic orthodontic tasks.

An email will be sent to all interviewees to notify them of the outcome shortly afterwards.

Practice visits for successful candidates will be timetabled during the summer.

Please note that an invitation to interview does not imply that a workplace visitation will take place.

An email will be sent to all successful candidates at a later date, which will include details of bench fees, blood tests, Garda clearance, etc.

The Train the Trainer course will take place in late June.

The Core Course takes place in DDUH on the weeks of **28th August, 11th September, 25th September and 9th October.**
