What we do

Our department comprises the following sub-units:

1. **Safety & Safety Risk Management** *The Safety & Safety Risk Management team assist and advise the University community, in ensuring, so far as is reasonably practicable, the health, safety and welfare whilst at work of all employees and students, and the safety of authorised visitors and members of the public entering Trinity College.*
2. **Estates Policy, Capital Projects & Planning** *Providing a built environment planning service for a sustainable University community, and a project management service to create additional space and infrastructure*
3. **Facilities & Services** *Delivering wide-ranging building and landscape maintenance services to Trinity across the City, Tallaght and St James's campuses. Our team of more than 400 dedicated employees offer services to meet the changing needs of staff and students who occupy a wide variety of facility types, ranging from laboratory and teaching environments to libraries, museums and residential buildings.*
4. **Shared Administrative & Support Service** *The Shared Administrative & Support Service provides a single point of contact for all staff, students and visitors availing of the services provided by Estates & Facilities. It also provides administrative and accounts support across the Directorate*

Feedback

It is our responsibility to provide the best service we can to our customers; we welcome your feedback, whether to compliment or to suggest change, about your service experience. All feedback received will be investigated and acted upon. Our service levels will be kept under review and overall performance will be monitored.

If you wish to provide us with feedback about the service you received while dealing with us, please email Mike Clark, Director of Campus Infrastructure, at Mike.Clark@tcd.ie
