

FSD Mission, Vision & Values

Mission

By the end of 2030, we will be a Finance Division that actively drives and enables Trinity to “Thrive” by:

- Providing strategic financial leadership to promote financial sustainability.
- Fostering a talented, experienced, and empowered team to provide support and guidance to our stakeholders.
- Delivering best-in-class financial systems for Trinity through continuous improvement, innovation, and future-ready design.
- Producing enhanced, timely and robust management information and financial reporting.
- Accelerating process automation and digitalisation to improve efficiency and service.
- Ensuring a customer-centric approach that prioritises responsiveness and proactive support.

Vision

To champion Trinity’s vision to be a university that challenges and serves society, making positive and lasting change through the advancement of knowledge and discovery.

Values
