International Transfer Programme: Engineering
Manipal International Centre for Applied Sciences and Trinity College Dublin, the University of Dublin

2 Years at ICAS + 2 Years at Trinity
Graduate with a Degree from Ireland’s Leading University
Trinity College Dublin, the University of Dublin has been inspiring generations of brilliant thinkers for over 400 years. Trinity is an international university, steeped in history, with a reputation for excellence in education, research and innovation.

Discover Trinity

World Rankings
Trinity is ranked 1st in Ireland and 101st in the world (QS World University Ranking 2022). Trinity also ranks in the top 100 in 17 subjects, globally (QS World University Rankings 2021).

Our Vibrant Campus Life
With over 170 clubs and societies, including many international groups, there’s something for everyone. At Trinity, involvement in student organisations is an integral part of your education. Find out more at www.tcd.ie/students/clubs-societies

The Trinity Welcome
A warm Trinity welcome awaits all our students. We believe that a diverse campus adds to the Trinity experience for everyone, enhances their personal development and enriches the culture of the university. Trinity is an open and inclusive university and we are proud to hold these values.

Your Career
Trinity is committed to preparing our students for the ever-changing challenges of the 21st century workplace. Trinity ranks in the Top 100 in the World for Graduate Employability (QS Graduate Employability Rankings 2022). Find out more at: www.tcd.ie/careers

Join Our Diverse Community
Our current students come from 118 countries around the world. 24% of the student body are from outside of Ireland, providing a truly global community.

International Reputation
Trinity is Ireland’s most international university, ranked 8th in the world by the Times Higher Education 2021. Trinity is also 1st in Europe for producing entrepreneurs for the 6th year in a row (PitchBook Universities Report 2020).

Strong Research Reputation
Our students receive a world-class education in a research-centred, collaborative environment and have the opportunity to work with global leaders in their field. Trinity is also the only Irish member of the prestigious League of 23 European Research Universities (LERU). Find out more at: www.tcd.ie/research

Join Our Esteemed Alumni
Trinity has produced some of the world’s finest and most enquiring minds including the writers Oscar Wilde and Samuel Beckett (Nobel Laureate), the scientists William Rowan Hamilton and Ernest Walton (Nobel Laureate) and the former President of Ireland and United Nations High Commissioner for Human Rights, Mary Robinson.

Why Ireland?

Ireland is a member of the European Union and is located in the North Atlantic beside the UK. Ireland is an English-speaking country with a young, vibrant population. It boasts a unique combination of cosmopolitan cities, breath-taking scenery, idyllic countryside and historic sites. The country is a European hub for innovation and industry with global companies such as Google, Facebook, Microsoft, Intel, Pfizer and HP based here.

Ireland has been renowned for its people, music, literature and art for centuries. It is world-famous for its friendly citizens and warm welcomes.

Your University, Your City

Trinity’s is a unique, walled campus located in the heart of one of the most popular and safest cities in the world. Dublin is a vibrant, young and multicultural European capital, which ranks as the 37th best student city in the world (QS World’s Best Student Cities 2019).

Everything the city has to offer is easily accessible to Trinity students from shops, restaurants and coffee shops to theatres, museums and clubs, ensuring that there is always something exciting for students to enjoy. If you want to take time out to relax in nature, the city’s parks (including Phoenix Park, one of the largest urban parks in Europe), an easily accessible coastline, beaches and the Dublin Mountains are all close by.
Dublin Innovation District

Trinity’s location is also advantageous when you are looking for a job. Dublin’s Innovation District, the ‘Silicon Docks’ is within walking distance, as is the International Financial Services Centre, and a large number of other businesses and organisations which have their Irish headquarters in Dublin. Dublin is also home to many global corporations across a range of sectors.

Be at the Centre of Things

Trinity’s central location makes it highly accessible for all forms of public transport: Trinity has its own LUAS (tram) station, there is a DART (Dublin’s suburban rail system) station opposite the campus and a large number of Dublin’s bus services pass by the University. Dublin airport is 13km (8 miles) from the campus and is directly accessible via bus or taxi. Find out more at: www.tcd.ie/maps

Pranjal Bathla
Programme: MAI Mechanical Engineering

“It has been a great learning experience, both personally & professionally. During my time here I have met so many people who have opened my mind to new experiences and possibilities. I was lucky enough to get an amazing chance to do a 1 month internship in Deloitte.”

Did you know?

Dublin is ranked 37th Best Student City in the world (QS Rankings 2019)

The best way to explore Trinity’s unique lively, traditional, urban experience is to pay us a visit.

The International Transfer Programme (ITP) in Engineering

The International Transfer Programme in Engineering between Trinity and the Manipal Academy of Higher Education's International Centre for Applied Sciences offers students an international educational experience. The two institutions have developed a 2+2 credit transfer programme which gives students on the undergraduate engineering programmes at ICAS the opportunity to study at and graduate from Trinity.

Why Study Engineering at Trinity?
The School of Engineering is a vibrant, intellectual community of innovative researchers, teachers and students, which combines high-quality teaching with expansive research activity. Each year, the School of Engineering welcomes growing numbers of visiting and full-time students from around the world who enrich our shared multicultural learning environment. We have international students from all over Europe, North and South America, Australia, Asia and Africa. We strive to educate global citizens who will have a real impact on society and who will enhance engineering throughout the world, by sharing their innovative ideas.

International Dimension
Trinity attracts a global community of academics dedicated to addressing challenges of vital importance to the world around us and has a diverse student body with students from 118 different countries. Indian students are the second largest cohort of international students at Trinity from outside the EU. As Ireland’s oldest and highest-ranking university, Trinity strives to educate global citizens who will shape the world’s future.

Internationally Recognised
The engineering programmes in Trinity are professionally accredited by Engineers Ireland, who are part of the Washington Accord, and therefore are internationally recognised. Graduates have both a broad understanding of the whole discipline and a detailed knowledge of their chosen specialist area. The aim is that graduates will be able to continuously train themselves, to adapt and move into related or newly emerging areas as their careers develop after graduation.

Programme Information:
Drawing on the expertise of the School of Engineering and the School of Computer Science and Statistics at Trinity, this programme focuses on delivering a research-inspired, outcome-based educational experience to students.

Eligible students will pursue the first 2 years of their course in India before transferring to Ireland for years 3 and 4 of the degree programme, subject to achieving the required grades. Additionally, qualified students can apply to pursue a Masters (MAI) qualification by completing one further year at Trinity.

5 Engineering Majors to Choose from:
- Civil, Structural and Environmental Engineering
- Computer and Electronic Engineering
- Computer Engineering
- Electronic Engineering
- Mechanical and Manufacturing Engineering

For further information please visit: www.tcd.ie/Engineering/undergraduate

Note: Programme and programme titles may be subject to change.
The Programme Structure

Trinity’s School of Engineering was founded in 1841 and is one of the oldest engineering schools in the English speaking world. The Baccalaureus in Arte Ingeniaria (BAI) degree was established in 1872 and early graduates played a major role in the development of government services and infrastructure in 19th century Ireland, India, Australia, Africa and Japan.

Today the School of Engineering at Trinity is ranked in the top 100 engineering schools in the world and offers outstanding teaching by Engineers who are at the forefront of their field worldwide.

Application Requirements:
- Completed application form (available from the School of Engineering E-mail: internationaleng@tcd.ie)
- Documentary proof of nationality
- Transcript of academic record
- Letter of recommendation from the Principal, Manipal (or designee)
- Passport sized photograph
- TOEFL / IELTS test results not needed

Admission Requirements:
Students who have successfully completed two years in ICAS, have completed specified pre-requisites, and have secured a CGPA of at least 3.2 or equivalent over two years are eligible for consideration for advanced entry into the engineering programme at Trinity.

English language requirements are waived for ICAS students and Trinity will provide a supporting letter for the visa application process.

Fees and Scholarships
All students are liable for fees. Fees are subject to change and current fees for the programme can be viewed here: www.tcd.ie/academicregistry/fees-and-payments

Scholarships are available, please contact internationaleng@tcd.ie for further details.

Application Deadline
Students must apply to Trinity by 28 February.

Application Timeline:
28 February
Students apply directly to the School of Engineering
E-mail: internationaleng@tcd.ie

March / April
Conditional offers made

End of May
Candidates receive 4th semester results and transcript and submit these to the School of Engineering

Mid-June
Successful candidates receive firm offer and apply for visa

September
Induction at Trinity
Coming to Ireland

Trinity is committed to ensuring that all international students have a positive experience while preparing to make the move to Dublin. Trinity’s support services are available to provide all the help and advice you will need to apply for your visa and find a place to call home.

Accommodation

All students joining Trinity through this partnership will be accommodated in Trinity-owned or Trinity-recommended accommodation, provided students apply by the housing deadline. Students may apply for a room once they have accepted a place at Trinity. Find out more at: www.tcd.ie/accommodation

Living in Trinity accommodation brings a further dimension to your participation in college life. You will be living as part of the Trinity community and will have greater opportunities for getting involved in many aspects of student life while making lifelong friends.

Students who wish to avail of the Trinity-owned or Trinity-recommended accommodation, must confirm by e-mailing international@tcd.ie before June 30th.

For students who do not wish to avail of the Trinity-owned or Trinity-recommended accommodation, an alternative is to seek private rented accommodation, usually sharing an apartment or a house with other students.

The Trinity Accommodation Advisory Service helps students find accommodation by providing them with advice and access to househunting resources.

For further information and advice see: www.tcdsuaccommodation.org

Visas

Some, but not all, non-EU/EEA students require an entry visa for Ireland. We advise students to apply for their visas early. To check if you need a visa, please visit the Immigration Service Delivery webpage at: www.irishimmigration.ie/coming-to-study-in-ireland

It is important to note that all non-EU students, whether visa required or not, must register with the Immigration Service Delivery for permission to remain in the state. Students must show their offer letter at airport immigration where they will receive a temporary stamp in their passport. They must register with the Immigration Service Delivery within the time limit specified on their temporary stamp.

You can request a visa offer letter by emailing: academic.registry@tcd.ie

Applying for a Visa

Students should submit their visa applications using the AVATS facility at: www.irishimmigration.ie

The application will only be processed when the online form is completed and the required documentation, passport photograph and appropriate fee are received by the relevant offices as indicated by the online system.

Please refer to the links below for Visa Guidelines:
www.irishimmigration.ie/coming-to-visit-ireland/how-to-apply-for-a-short-stay-c-visit-tourist-visa

Contact details for embassies can be found here: www.dfa.ie/home/index.aspx?id=285

Additional information on visas and immigration can be found at: www.irishimmigration.ie/coming-to-study-in-ireland

Checking Your Visa Status

► Apply early, allowing at least 8 weeks for processing.
► You can check online for visa decisions using your visa application number at: www.irishimmigration.ie/visa-decisions
► When your visa is approved, the Embassy to which you sent your documents will affix a visa to your passport.
Immerse yourself in a broad range of sports clubs and student societies and get a real sense of the ‘Trinity Experience’.

Student Societies and Sports Clubs

At Trinity, we have 120 student societies which are some of the most dynamic and active university student societies in Ireland with everything from the Animation Society to the Zoological Society. We are home to the world’s oldest student societies, the ‘Hist’ or Historical Society founded in 1770 and the ‘Phil’ which is the oldest debating society in the world, founded in 1683, and whose guests have included everyone from Hollywood heavyweights such as Martin Scorsese to International Space Station commander Chris Hadfield. Find out more at: www.trinitysocieties.ie

The Sports Centre, located at the Westland Row end of campus, is where the majority of our fitness classes and programmes take place, seven days a week. Facilities include a 25-metre swimming pool, climbing wall, fully equipped gym with free weights and cardio machines, virtual cycle and a wellness room. Students are automatically members of the Sports Centre. There are small additional costs for some classes.

There are 50 sports clubs to choose from including: aikido, badminton, basketball, boating, boxing, climbing, cricket, cycling, equestrian, fencing, Gaelic football, golf, handball, hockey, hurling, judo, karate, kayaking, tennis, rugby, sailing, soccer, squash, surfing and bodybuilding, swimming, table tennis, taekwondo, trampoline, ultimate frisbee, triathlon and volleyball. Find out more at: www.tcd.ie/sport

Trinity Publications

Trinity students produce the widest range of student publications of any third level institution in Ireland including Trinity News, the University Times, Icarus, The Piranha, TCD Miscellany and Trinity Film Review. See: www.trinitypublications.info

A Sustainable Campus

In a world with finite resources, Trinity offers students a variety of ways to learn how to live sustainably, and to develop the kind of innovative thinking and adaptability to enable you to thrive in a rapidly changing world. Trinity’s academics and researchers are global leaders in subjects such as climate change, nature based solutions, biodiversity, environmental science, smart technology and engineering.

Our commitment to sustainability is evidenced in key milestones over the last 15 years, such as:

- Student-led plan to reduce disposable plastics on campus (2018)
- Trinity is a Green Flag Campus for the last 8 consecutive years.
- 62% reduction in paper use since 2011, 62% reduction in water use since 2006 and 32% increase in energy efficiency since 2006.
- 84% of staff and students use sustainable transport (public transport/cycling/walking) to commute.

Students actively participate in imagining, driving and implementing campus sustainability initiatives through the Students’ Union, Student Sustainability Network, Green Campus Committee, Young Greens, Vegan Society and the EnviroSoc (Environmental Society) and in the Resident Sustainability Champions programme among other groups.

The Students’ Union and Graduate Students’ Union have Environmental Officers devoted to supporting and responding to environmental and sustainability issues. We hope you will choose to join your energy with ours to create a more just and verdant world. Find out more at: www.tcd.ie/provost/sustainability

Restaurants and Coffee Shops on Campus

Students can choose from a wide range of restaurants and coffee shops on campus to suit all tastes and budgets, including:

- The modern Buttery Food Court with a hot food counter, deli counter, and gourmet coffee shop.
- The Old Dining Hall, where lunch is enjoyed in traditional splendour, but with a student budget in mind.
- The Pavilion Bar serving hot food all day, for breakfast, lunch, and dinner.
- The Perch, a brand new café in the Arts Building offering a range of hot and cold beverages, pastries and sandwiches, and grab and go food offers.
- Coffee shops in the Hamilton Building and Áras an Phiarsaigh.
- Forum Restaurant is a state of the art dining outlet located in the Trinity Business School.

Did you know?

Trinity is ranked 14th in the world for global impact (Times Higher Education Rankings 2020)

See: www.tcd.ie/catering or follow us on Facebook or Twitter (@TCDbites) for further details and special offers and promotions.

Note: some activities may be subject to COVID-19 restrictions.
Support Network

International Student Supports
Trinity is an exciting place, full of opportunities to learn, make friends, and experience new things. While Trinity delivers world class courses, it is not just about your academic development: we also want Trinity to be a place where you can develop socially, responsibly, culturally and personally.

But with so much going on, we know that you might need a helping hand every now and then. From the first day, undergraduate students are assigned a personal tutor and a student mentor to make sure that you always have someone on hand to explain things to you, advise you or just listen.

Our student support services include:

- Student Learning Development
- Student Counselling
- Student Health
- Careers Service
- Disability Service
- Academic Registry
- Students’ Union and Graduate Students Union

We also have specific support programs for international students.

Airport Meet and Greet Service
New international students arriving at Dublin Airport can avail of this free service. Services may change in 2022 but students can expect a welcome service with further details closer to time of arrival. Find out more at: www.tcd.ie/students/your-arrivalsept-2021/when-you-get-here.php

Note: subject to COVID-19 restrictions.

International Student Orientation
During Freshers’ Week, Trinity runs a series of sessions for international students addressing cultural adjustment as well as practical concerns such as banking and immigration. Find out more at: www.tcd.ie/orientation

Student Mentors
All undergraduate students are assigned a Student 2 Student (S2S) mentor during Freshers’ Week. Your mentor will ensure you meet your classmates during Freshers’ week, will show you around the campus and will keep in regular touch, inviting you to events on and off campus. S2S also offers Peer Supporters, students available for one-to-one conversations on request. They’re highly trained, confidential and very approachable. Find out more at: student2student.tcd.ie

Trinity Global Room
Global Room staff and student ambassadors are available to assist with advice (particularly with immigration questions), locating student services, adjusting to life in Ireland or planning internationally-themed events. The Global Room hosts celebrations of national holidays, film screenings, student society events, social events and get togethers, alongside information seminars and talks.

Find out more at: www.tcd.ie/study/international/student-experience/global-room.php Contact us at: tcdglobalroom@tcd.ie

New to Dublin
The Global Room Ambassadors run this programme at the start of the academic year aimed at undergraduate students who are new to Dublin. The groups meet for a few weeks in the evening during the first term and cover everything from Dublin grocery shopping and public transport to making friends and adjusting to Dublin culture. They also run a ‘Getting to Grips’ programme aimed at postgraduate students.

English for Academic Purposes
Trinity offers both pre-sessional and in-sessional English language programmes for incoming and current students who are non-native speakers of English. Please note places are limited. Find out more at: www.tcd.ie/slscs/english

Career Support for International Students
Career support is available for students looking to gain work experience while studying in Trinity, as well as for students looking to translate their experience in Trinity to a career back home or internationally. The Careers Service provides career guidance, advice and feedback on job applications and interview preparation and organises employer events on campus throughout the academic year. Find out more at: www.tcd.ie/careers/mycareer/students.php

In order to encourage talented, skilled graduates to pursue careers in Ireland, upon successful completion of an undergraduate or postgraduate programme at Trinity, undergraduate students have the possibility to stay in Ireland to work for one year on the Third Level Graduate Scheme, while eligible postgraduate students can stay for up to two years. This allows students to gain work experience opportunities in Ireland in a wide range of industries and organisations.

Students may also have the option of remaining in Ireland for a longer period if they are able to secure employment that meets the criteria for a Work Permit.

For further information see: www.irishimmigration.ie/my-situation-has-changed-since-i-arrived-in-ireland/third-level-graduate-programme

Please note that a hybrid of virtual and face to face supports may still be in place for 2022 entry due to Covid-19.
Starting your Career

Your Career Journey
Our graduates are highly sought after by employers across all sectors and many have gone on to successful careers around the globe. See below for just a few examples of the diverse organisations that have recruited Trinity graduates in recent years. The Trinity Careers Service supports students in exploring their career ambitions for the future and planning how to achieve them.

Find out more about the Careers Service at: www.tcd.ie/careers
