# Notes re Scholarship Exemption

## Section 193 Taxes Consolidation Act 1997

---

Section 193 Taxes Consolidation Act 1997 provides that income arising from a scholarship is exempt from tax where the following conditions are satisfied:

- (a) the individual in receipt of the scholarship must be in receipt of full-time instruction at an educational establishment;
- (b) the object of the scholarship must be the promotion of the education of the holder rather than the promotion of research through the holder;
- (c) there must be no element of service (directly or indirectly) between the sponsor and the student;
- (d) the award must not arise from office or employment (directly or indirectly) with the sponsor;
- (e) If the scholarship is provided from a trust fund or scheme to persons connected with the sponsor (i.e. an employee, a member of the household of an employee, a director or a member of the household of a director connected directly or indirectly with the sponsor) then not more than 25% of all such payments from the trust fund or scheme can be made to such persons.

The scholarship holder must complete and sign the attached Scholarship Exemption Declaration Form. The completed form should be returned to, and retained by, the appropriate administration office in the college / university.

Exemption from income tax in respect of scholarship income is on a self-assessment basis. This exemption applies to income arising from scholarships in respect of undergraduate and postgraduate courses but it is Revenue's view that the exemption does not apply to income in respect of a fellowship.
