**Microsoft Office 365 Email Signature Tutorial**

This is a short tutorial on how to update your signature in Microsoft Office 365 in Internet Explorer to align with the identity guidelines for Trinity College Dublin, the University of Dublin.

**Step 1.** Go to office.tcd.ie and sign in to your mail account.

If you are having any issues implementing your Trinity email signature, please contact identity@tcd.ie
Step 2. Click on the wheel icon in the top right of your mail page.

Step 3. Scroll down the drop-down menu underneath the wheel and click on the ‘Mail’ button.

Step 4. Copy the email signature of your choice from either Microsoft Word .doc file.

Step 5. Tick the option ‘Automatically include my signature on new messages I compose’ and paste the signature template into the editor box. The signature will retain the styles applied to it from the Microsoft Word document.

If you are having any issues implementing your Trinity email signature, please contact identity@tcd.ie
Step 6. Put in your details in the name and role sections.

Step 7. Replace the template’s phone number and email with your details. Press the space bar after entering in your email address to create a hyperlink.

If you are having any issues implementing your Trinity email signature, please contact identity@tcd.ie
Step 8. Select both your email and the university link with the cursor and click on the **font colour** option in the editor’s menu. Select ‘Blue’ from the drop down menu (2nd column, 2nd down) to apply.

Step 9. Click ‘Save’ in the top left corner.
