

How to Launch an Application from MyTrinityApps Portal

Firstly, go to <https://mytrinityapps.tcd.ie> the following screen will appear as displayed in Fig 1 below.

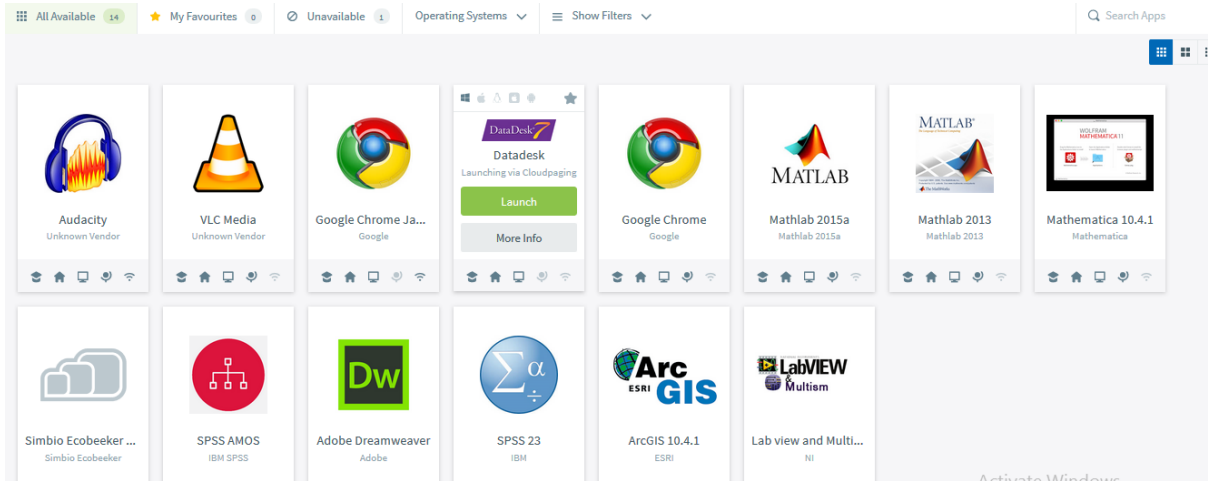

Fig 1

Next, click on the application you wish to use. Then select '**Launch**', as shown in Fig 2. It will take approximately 30 - 60 seconds to launch correctly depending on wifi and size of application. Software is launched as if it is installed on PC, if you go to your Program Menu, the new program options will be available.

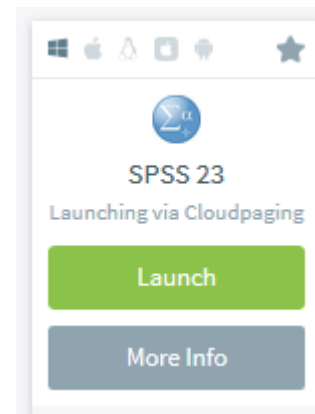

Fig 2

Alternatively, you can also check via the CloudPaging Player. To view Cloudpaging Player, click on your Start Menu, then click on '**Cloudpaging Player**' (see Fig 3).

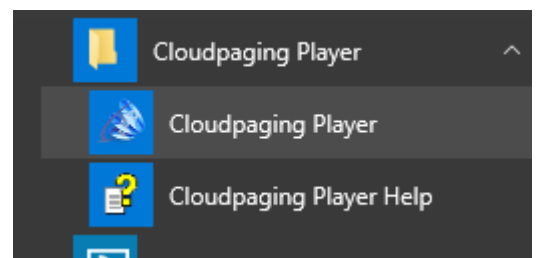

Fig 3

The following screen (Fig 4) will appear. From within this screen you can stop and remove MyTrinityApps Software from the Cloudpaging Player. Any Software you install will be listed here.

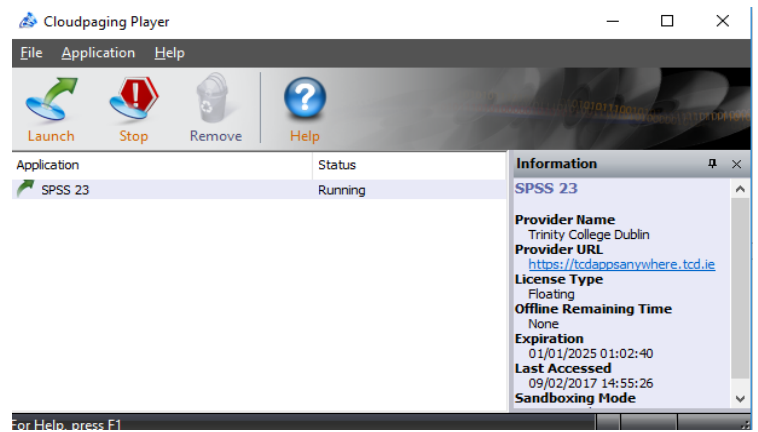

Fig 4

Next, check your taskbar for the software icon, as shown in Fig 5.

Fig 5

Finally, click on the software application icon, as shown in Fig 6. Your application will now open onscreen
