

How to Setup MyTrinityApps within your browser

Firstly, open your browser and go to <https://mytrinityapps.tcd.ie>

When prompted please enter your College Username & Password. The following screen will appear as displayed in Fig 1:

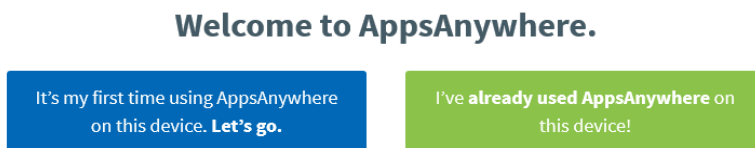

Fig 1

Now choose ***“It's my first time using AppsAnywhere on this device. Let's go”***. Depending on which browser you use, the following screen will appear, as displayed in Fig 2.

| | |
|---------------------------------|--|
| <p>Internet Explorer</p> | <ul style="list-style-type: none"> • Choose Save and Run from saved Location |
| <p>Google Chrome</p> | <ul style="list-style-type: none"> • Click on up arrow and save and run from saved location |
| <p>Microsoft Edge</p> | <ul style="list-style-type: none"> • Click on Save as and Run from saved location |
| <p>Mozilla Firefoz</p> | <ul style="list-style-type: none"> • Click on Save File and run for saved location |

Fig 2

Next, open AppsAnywhere “**Welcome to the AppsAnywhere Setup wizard**”. The following screen will appear as displayed in Fig 3.

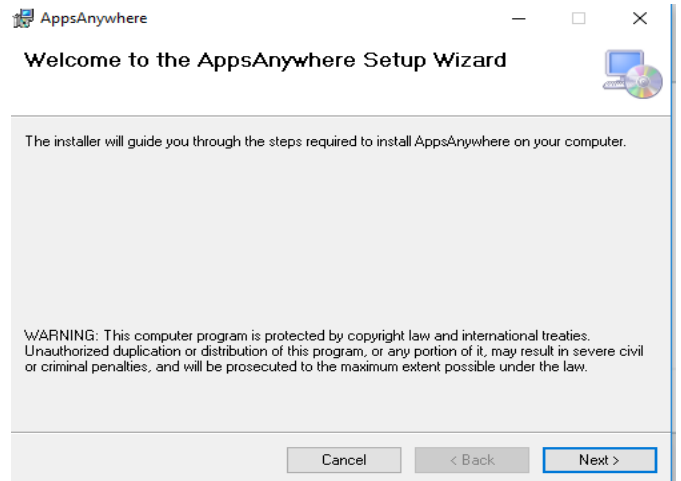

Fig 3

Click on Next, and then click Next again (Installation Folder) and finally click Next to confirm installation, you will then be receive a confirmation message onscreen that the installation is complete, as shown in Fig 4. Click Close.

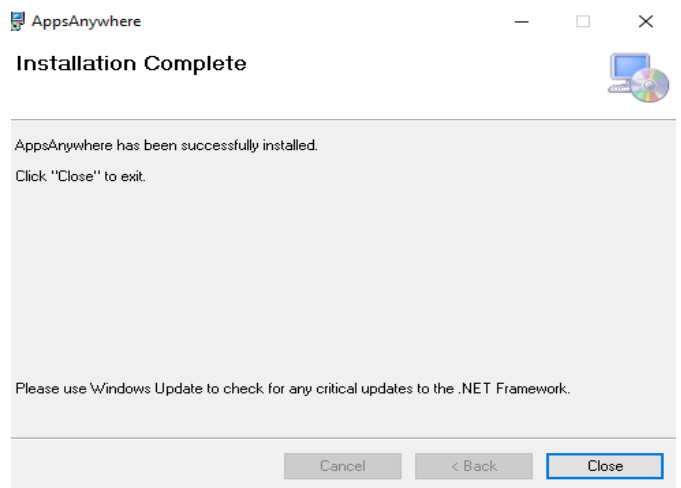

Fig 4

Next, the following message will appear on your screen, as shown in Fig 5. Click on 'Done'.

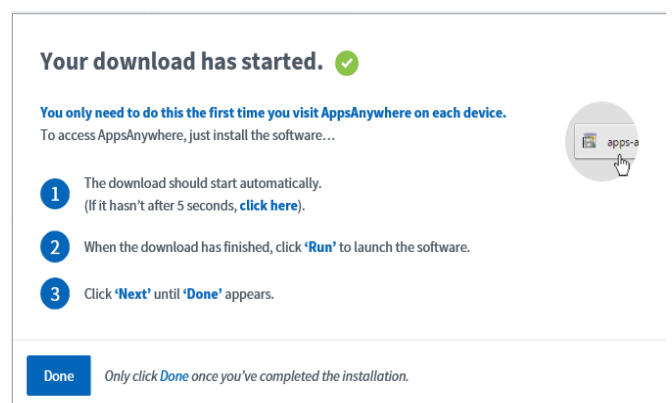

Fig 5

After choosing a particular option, the screen will display that validation has been successful. However, if this does not happen, please click on 'Refresh'. You will then arrive on the main Portal page as displayed in Fig 7.
