

# Grade Conversion Scales for Law School Exchanges

The Law School has devised a grade conversion scale for each university to carefully and accurately convert the results received from a host university into an equivalent grade in Trinity College's grading scale.

For joint degree students, in Law and Business, and Law and Political Science, there will be separate grading scales to convert the students' Business and Political Science modules. The scales are the College agreed Grade conversion scales and are available to view at:

[https://www.tcd.ie/study/assets/PDF/Erasmus\\_Grade\\_Conversion\\_Table\\_2016.pdf](https://www.tcd.ie/study/assets/PDF/Erasmus_Grade_Conversion_Table_2016.pdf) Please note that the table can change at any stage over the course of the year. For Law and Business students who are in Uppsala and taking business modules, the School of Business has more specific rules for grade conversions.
