

YURI ENTIN - Song of the Crafty Cat (from 'The Light Blue Puppy' cartoon, 1976)

A Crafty, Incredibly Crafty Cat

Misfortune is foreign to me,
For I'm a hustler, you see,
And if your path I should cross,
Be sure it will be your loss.

One must live life with finesse,
Live as if it's effortless,
All in all, my friends, it's best
To live life with success!

Silly suckers I take for a ride,
And I feel nothing inside,
Not a hint of a worry or woe
This black cat will never know.

One must live life with finesse,
Live as if it's effortless,
All in all, my friends, it's best
To live life with success!
