

Student Lecture Recording Advice Notice

The following lecture is being recorded for use in the context of teaching and learning at Trinity and will be made available in Blackboard solely for the purpose of enhancing student learning. Students should not edit, modify or manipulate the recording in any way, nor disseminate it or upload it for use outside of a context of teaching and learning at Trinity. Please be aware that any questions or discussions during the lecture may be captured by the recording. Students who are uncomfortable with being recorded may engage with me to discuss issues and possible alternatives. Recorded materials will be handled in compliance with Trinity's statutory duties under the Universities Act, 1997 and in accordance with the University's policies and procedures. Further information on data protection and best practice when using lecture capture software is available at www.tcd.ie/dataprotection.
