Subject: Postgraduate Renewal Consultation Survey – on its way

Date: 27/01/2022

Dear Colleagues,

Following my communication to you in December about the Postgraduate Renewal Programme, I am delighted to update you and to let you know that early next week we are launching our first College-wide consultation. You will receive an email inviting you to participate in an on-line survey.

This important first step will help us identify your needs and priorities so that we can design the Postgraduate Renewal Programme in a way that is meaningful to the College community.

I urge you to participate in the survey and share with us your experience and ideas so we can develop a shared roadmap for renewal of postgraduate education at Trinity. The survey is just the first in a series of consultation initiatives, but your responses will be the foundation for future plans.

We very much look forward to your support.

Best wishes,

Professor Martine Smith
