WELCOME TO
Trinity Innovation Hub

At Trinity College Dublin, Ireland's leading university ranked 75th in the world*, we bring people and ideas together. In the heart of Dublin, our community of students, researchers, and innovators is shaping the future through world-class education, ground-breaking research, and real-world impact.

That's where our new Innovation Hub comes in - designed to open doors, it connects Trinity's brightest minds with industry leaders, startups, investors, and public partners in a collaborative space delivering innovative solutions.

Partnerships

- **Academia / Thought leaders**
  Collaborate on research, policy, and education initiatives that drive societal and economic impact.
- **Corporates / Multinationals**
  Co-develop solutions with research teams; access talent & boost brand credibility. Connect with the innovation community.
- **Startups & Scale-ups**
  Access workspace, community, interns, support to kick-start and accelerate your business.
- **VCs & Investors**
  Connect with spinouts & ventures; host demo days, curate opportunities.
- **Professional Services**
  Engage as innovation champions; enhance service visability through insights & events.
- **Public Agencies & Nonprofits**
  Align with policy, students & social innovation for measurable impact.

Collaboration

Our Partnership Programme engages and facilitates organisations of all sizes, from startups to multinationals. With flexible engagement, partners benefit from access to facilities, research collaborations, consultancy, talent, events, and strategic visibility.

There are multiple ways to engage whether you're seeking research partnerships, brand recognition, innovation space, or talent access, there's an option to suit your goals.

Opportunites

Collaborative Reasearch — Co-create projects and exchange knowledge with Trinity's top researchers.

Consultancy — Get expert advice and innovation support from Trinity specialists.

Knowledge Transfer — Access contracts and tech transfer services for knowledge exchange.

New Ventures — Support entrepreneurship through pitch and demo day programmes.

Talent — Connect with future-ready graduates via events, hackathons, and mentoring.

Education — Join knowledge-sharing events and build community with Trinity.

Philanthropy — Support purpose-led initiatives through funding or CSR partnerships.

Branding & Identity — Place your brand at the centre of Ireland's innovation ecosystem.
