

European Studies

Module descriptors for Inbound Students.

Name	The Making of Modernity, 1750-1820
Code	EUU22002
Semester	2
ECTS credits	10
Pre-requisite	None
Module Co-ordinator	Linda Kiernan Knowles KIERNANL@tcd.ie

Module Content

On successful completion of this module, students will be familiar with key concepts of modernity in thought and culture as they developed during the 18th and early 19th centuries. They will also have been introduced to a variety of primary sources and some of the different methods and approaches that can be used in their analysis.

They will be able to evaluate a range of methodological and theoretical approaches to the study of Early Modern cultural history.

Assessment

One literature review (1000 words).
