

French

Module descriptors for Inbound Students.

Name	WRITTEN LANGUAGE A HT (
Code	FRU44232
Semester	Semester 2
ECTS credits	5
Pre-requisite	Module only open to French or franchophone students
Module Co-ordinator	Hannes Opelz OPELZH@tcd.ie

Module Content

the module focuses on advanced grammar, comprehension, and synthetic skills on the basis of texts written in French in a variety of styles and on a variety of intellectually challenging topics. The module is assessed by a 2-hr written exam in which students answer a series of questions on a text written in French that will test their grammar, comprehension, and synthetic skills.

Learning Outcomes

- translate a text into correct French from English while retaining a high degree of equivalence with the original (prose);
- demonstrate a good comprehension of French, particularly through the skill of writing in correct French a résumé of a text on an intellectually challenging topic;
- express themselves more fluently and correctly in the spoken French.

Assessment

Advanced Comprehension Exam (100%)
