

German

Module descriptors for Inbound Students.

Name	German Language (Beginners)
Code	GRU1104Y
Semester	Full Year
ECTS credits	10
Pre-requisite	
Module Coordinator	Contact the Study Abroad Coordinator (German)

Module Content

This module is offered to students with little or no previous knowledge of German. It offers a general foundation in language, and encompasses the four main competencies (speaking, writing, listening, reading). It emphasises the acquisition of an essential grammatical basis and development of both productive and receptive skills in spoken and written German.

Learning Outcomes

On completion of this course the student should be able to:

- demonstrate a solid basic knowledge of and proficiency in German vocabulary, grammar and syntax
- demonstrate a competence in basic writing
- understand short texts in the target language
- understand spoken language
- demonstrate a reasonable standard of pronunciation
- communicate orally in basic situations
- achieve an overall standard of A2 level to enable progress to GRU2200Y / GRU2207Y

Assessment

Continuous Assessment (100%)
