## Module Content

This module aims to give students a survey of / intro to German-language literature from first beginnings to 1800

The module consists of a series of lectures and seminars. Students are asked to prepare for in-class discussions by being assigned pointed questions about each reading as homework

## Learning Outcomes

On successful completion of this module, students

- will have received a survey of early German literature until ca. 1800;
- will be able to read texts in the German original;
- will be able to contextualise future readings in this framework and carry out a literary analysis considering the historical background.

## Assessment

Take-home Exam (100%)
