

German

Module descriptors for Inbound Students.

Name	German Language 3 (Visiting Students)
Code	GRU33002
Semester	2
ECTS credits	5
Pre-requisite	Minimum level: German B1/B2; please contact the module coordinator before enrolling
Module Coordinator	Katrin Eberbach (eberback@tcd.ie)

Module Content

The principal emphasis in this module is to consolidate and build on existing grammatical knowledge, to work with a variety of texts, analyse grammatical structures, analyse style and rhetoric and work on text production (summary and opinion).

Aims

1. To develop analytical, critical and descriptive skills in a variety of text types.
2. To develop narrative, descriptive and rhetorically appropriate skills in writing and speaking in the L2.
3. To consolidate grammatical knowledge and to expand vocabulary

Learning Outcomes

This module is designed to develop advanced oral and written rhetorical skills in the L2. It also aims to consolidate existing German language skills through systematic revision of grammatical structures and to encourage the further development of communicative and cultural competence.

Assessment

- End of term written examination, 1.5 hours (60%)
- Oral (40%)
