

6th Annual BONE STUDY DAY PROGRAMME

Friday 6th March 2020

Trinity Lecture Theatre, Trinity Centre for Health Sciences, Tallaght University Hospital

A Multidisciplinary Study Day in Metabolic Bone Biochemistry and Medicine

09:15 – 09:55 **Registration - Breakfast, Tea and Coffee**

09:55 – 10:00 **Morning Session Introduction**

Chair: Dr Gerard Boran, Consultant Chemical Pathologist, Tallaght University Hospital, Dublin 24

Calcium – to adjust or not to adjust

Dr Maurice O’Kane, Consultant Chemical Pathologist, Western Health and Social Care Trust,
Director of Northern Ireland Clinical Research Network. Visiting Professor to Ulster University

Break - Tea, Coffee and Cake

Skeletal Complications of Rheumatic Diseases

Professor John Carey, Consultant Physician in Medicine and Rheumatology, Galway University Hospitals.
Personal Professor in Medicine, National University of Ireland Galway
President, Irish DXA Society. International ISCD Representative, Asia Tripartite Alliance for Bone Health
Past-President ISCD (International Society for Clinical Densitometry
Member, Committee for Scientific Affairs, International Osteoporosis Foundation.

Improving care in Ireland for Rare Complex Metabolic Bone Diseases and the European Research Network (ERN-BOND)

Dr Rachel Crowley, Consultant Endocrinologist, St. Vincent’s University Hospital, Dublin 4
Assoc. Professor, University College Dublin, Dublin 4.

13:00 – 14:00 **Lunch**

14:00 **Afternoon Session**

Chair: Dr Vivion Crowley, Consultant Chemical Pathologist, St. James’s Hospital, Dublin 8
Discussant: Professor William Fraser, Consultant in Metabolic Medicine, Norfolk & Norwich University Hospital
Professor of Medicine/Dean of Norwich Medical School, University of East Anglia

Update on Vitamin D and Osteoporosis

Professor William Fraser, Consultant in Metabolic Medicine, Norfolk & Norwich University Hospital
Professor of Medicine/Dean of Norwich Medical School, University of East Anglia

Rapid Fire Topics:

Calcium case on-call – what happened? – Dr Salima Al Maqbali, Chemical Pathology International Fellow, SJH

Adjusted Calcium Case and methods – Dr Anna Gardiner, Biochemist

Calcium Conundrums - Michael Kelly, Chief Medical Scientist, TUH

Pseudohypoparathyroidism case - Dr Ana Rakovac, Consultant Chemical Pathologist, TUH

Primary Hyperparathyroidism case – Richard Leigh, Medical Scientist, Bons Secours Hospital, Galway

Osteoporosis and Silver - Dr Renuka Durganau, Chemical Pathology SpR, TUH

16:30 **Close of meeting**

ACSLM = 5 CPD points

RCPI = 6 CPD points
