

# ROLES AND RESPONSIBILITIES

## OF PRACTICE TUTORS FOR UNDERGRADUATE DIETITIANS

---

### Role

A Practice Tutor:

- Enables students to identify and address areas of practice that require improvement
- Facilitates the fair and accurate assessment of student progress

### Responsibilities

#### Before placement

- Become familiar with student documentation issued by College
- Avail of training opportunities offered
- Meet students during orientation

#### During placement

- Provide tutoring sessions that are responsive to learning needs
- Document progress from your perspective using appropriate documentation
- Review signed-off assessment forms to ensure they coincide with your view of progress
- Provide assistance to students and educators if Reasonable Adjustments are needed

#### After placement

- Provide feedback to College

### Support for Tutors

- Placement team in Trinity
- Tutor-only conference call on the Wednesday of weeks 4, 8, and 12 of placement
