

# PPB PLACEMENT PORTFOLIO

## FOR UNDERGRADUATE DIETITIANS

---

Students bear all responsibility for managing their placement portfolio.

### 1. Patient cases

**Purpose.** Completed on patients already seen, as 'useful repetition', to help students to:

- Incorporate verbal feedback on how to improve on their first attempt
- Prioritise elements of practice that need improvement

**Frequency.** One per week up to Week 9

#### How to complete

Student must clarify the date for submission. The Practice Educator should mark-up the case within one working day (or as soon as possible) with 1-2 areas for improvement and discuss these with the student before signing the form.

### 2. Reflection logs

**Purpose.** To enable student-led reflection on a learning opportunity

**Frequency.** One per week up to Week 9

**How to complete.** Student must clarify submission date and submit to PE as agreed

### 3. Assessment forms

**Purpose.** To summarise overall performance at regular intervals

**Frequency.** Specified on the last page of an assessment form

**How to complete.** Student must clarify submission date and submit to PE as agreed

### 4. Presentations

**Purpose.** To contribute to departmental output

**Frequency.** At least one presentation throughout during PPB

**How to complete.** In line with department guidelines
