

Your Voice is the Missing Piece

Volunteer with us

Have you or a loved one had Radiotherapy?

Then you are the expert in what matters most to us : your experience!

You don't need any volunteering experience- all you need is an interest in sharing your thoughts and helping shape better care- we'd love you to join our Patient Voice Group: **PACT@TCD**

HOW CAN I VOLUNTEER?

Get in touch with Claire and Laura by emailing RadiationTherapyPPI@tcd.ie to register your interest and find out more

WHAT DOES A VOLUNTEER DO?

- You can take part in activities like co-writing patient leaflets and co-developing radiation awareness projects
- Pick the activity that matches your interests, experience, and time
- There's no set time commitment or number of projects
- Every contribution, big or small, makes a difference
