**Re: Joe Bloggs**

**Student number: 20202020**

I certify that **Joe Bloggs** was a registered full time Trinity College student in good academic standing; he commenced the five year medicine degree programme in September 2011; on 17 June 2016 **Joe Bloggs** received the qualifying medical degrees of MB, BCh, BAO with **overall Second Class Honors** from this University.

The undergraduate medicine degree programme is taught and assessed solely in English as it is the primary language of instruction, examination and patient care.

Yours sincerely
