September 2026

Dear Graduate Student,

On behalf of the Head of School, Prof. Gillian Wylie and all the staff here in Dublin and Belfast, it is a pleasure to welcome you to the School and to wish you a successful year of study and research in Trinity College Dublin.

Our School explores religious studies, international conflict and peace studies, theology, ethics and biblical studies as independent but often related disciplinary fields and our undergraduate and postgraduate courses and our research students interrogate encounters between cultures and religions from antiquity to the present day. Our students and staff investigate the intellectual and institutional resources developed in historical and current interactions and conflicts and apply them to the challenges and the opportunities societies face in an age of globalisation.

During your orientation event you will receive some basic information about how the School works and you will meet some of the key people involved in teaching and administration. Most importantly, you will have an opportunity to introduce yourselves to one another, and to get a brief insight into what kinds of skills, experiences and previous studies have shaped the student community of 2026– 27. If you need any additional assistance, please do not hesitate to contact staff who will assist in any way possible.

As a staff, our hope is that you will find the coming year to be fruitful – intellectually and socially – and that you will be both stretched and inspired by your time in the School. We look forward to getting to know you and to working with you in the weeks and months ahead.

With kind regards and best wishes.

Prof. Jude Lal Fernando

Director of Postgraduate Teaching and Learning

JAMES Haire Memorial Prizes

2026-27

In 2002, the Irish School of Ecumenics Trust established the James Haire Memorial Prizes, in memory of the late Revd. Professor James Haire, former Principal of Union Theological College, Belfast.

Seven prizes are awarded annually, two in each of the Contextual Theologies and Interfaith Relations, International Peace Studies and Conflict Resolution and Reconciliation courses. Each prize will be worth €100. In each MPhil programme one prize will be offered for the highest mark in a dissertation, and one for the highest essay marks. In each case the prize for the dissertation will be awarded first, and the winner of that prize may not be considered for award of the essay prize.

Awards will be made by the appropriate Court of Examiners, whose decision will be final.
