

CZECH REPUBLIC

CZ PRAHA07 Charles University (Prague) -
English/Translation Studies

Country Information	You need to have cash! Some places don't take card. I'd recommend getting a physical Revolut card so you can exchange euros to kc before withdrawing from an atm, because Revolut had lower exchange rates. Also never use a euronet atm, it'll rip you off, raiffensbank is the best I think.
University Information	College accommodation is very cheap but at some distance from the city centre. Facebook is the best place to search for rooms to rent in the city, join one of the renting group chats on it.
Academic Advice	Enrolment in Charles uni is a lot less strict than in tcd, so don't worry if you don't get into a module you want or need, you can email the lecturer about it or just go to the first class and usually they'll let you join. Also enrolment doesn't end until after the first week of classes so you can enrol in more modules than you need and then go to the first class to try it out, most Czech students do this.
Duration of Exchange	Full Year
Students Pathway	TJH English Literature MAJ and Film Studies MIN Option A
Pathway Advice	Yes, but I'm JH English and film and there was barely enough film modules for me to fulfil me required amount of ECTS so be careful.
Sustainability Tips	There's lots of secondhand clothes shops
Overall advice - Would you recommend this exchange	Yes! It's such a great city, it's cheap, easy to live in and lots to do and the public transport is amazing.
Overall experience	Rating (1 (low) to 5 (high)) 5
