

# EGYPT

American University in Cairo

<b>Country Information</b>	Pack some winter clothes if going in January, it's fairly cold and windy, especially where the college is.
<b>University Information</b>	Try to get the on-campus student accommodation, not the off-campus buildings. There are lots of shopping centres nearby with food options, also the college canteen and restaurants.
<b>Academic Advice</b>	I took 5 modules rather than six due to how the points converted, so I had to find one that covered both of my Joint Honours courses.
<b>Duration of Exchange</b>	Semester 2
<b>Students Pathway</b>	TJH Middle Eastern Jewish and Islamic Civilisations and Religion
<b>Pathway Advice</b>	Yes it did.
<b>Sustainability Tips</b>	There are second hand markets in the city, otherwise no, environmentalism hasn't reached Egypt.
<b>Overall advice - Would you recommend this exchange</b>	Definitely, Egypt is an amazing place. Cairo is a lovely city and is very cheap to live and thrive in. You will make lots of Egyptian and International friends.
<b>Overall experience</b>	Rating (1 (low) to 5 (high))  5
<b>Student Number *</b>	Student ID Number 7
