

## Foundation Scholarship 2025-26

### Trinity Joint Honours Programmes – Major with Minor Pathways in Year 2

All students on Trinity Joint Honours programmes will take 4 examinations, however the structure of examinations will depend upon the pathway chosen prior to the start of Senior Freshman year.

The information in this document pertains to students who are on the 'Major with Minor' pathway – this means you are taking 40 credits in one subject (the Major subject) and 20 credits in the other subject (the Minor subject).

Students on the Major with Minor pathway are able to choose between the two structures below for their Foundation Scholarship Examinations:

<u>Structure 1</u>	<u>Structure 2</u>
<ul style="list-style-type: none"><li>• 3 examinations in your 'Major' subject</li><li>• 1 examination in your 'Minor' subject</li></ul>	<ul style="list-style-type: none"><li>• 2 examinations in your 'Major' subject</li><li>• 2 examinations in your 'Minor' subject</li></ul>

Within this document there are two tables.

- [Table 1](#) contains information relating to the examinations in each subject that apply where the student is following Structure 1.
- [Table 2](#) contains information relating to the examinations in each subject that apply where the student is following Structure 2.

Trinity Joint Honours students following the Major with Minor pathway will need to decide upon one of the above structures for their Foundation Scholarship Examinations.

If you decide to take three papers in your Major and one paper in your Minor, you will then use the information within [Table 1](#).

If you decide to take two papers in your Major and two papers in your Minor, you will then use the information within [Table 2](#).

It is important that you consult the appropriate table to ensure that you have the correct examination codes and papers for your structure when applying for [Foundation Scholarship](#) via the link provided from the Academic Registry.

If you have any questions, please do not hesitate to contact us via [joint.honours@tcd.ie](mailto:joint.honours@tcd.ie)

**Table 1:** Please use information in this table where you wish follow [Structure 1](#) and take 3 examinations in your Major Subject and 1 examination in your Minor Subject.

To use Table 1 for taking 3 examinations in your Major Subject and 1 examination in your Minor subject:

1. Please note that each subject is listed in the column on the left.
2. You will find the row relating to your Major subject and use the information in the middle column, labelled 'Major Subject (3 examinations)' to locate the XSCH codes for the 3 examinations in your Major subject.
3. You will find the row relating to your Minor subject and use the information in the right-hand column labelled 'Minor Subject (1 examination)' to locate the XSCH codes for the 1 examination in your Minor subject under this structure.
