<b>Sustainability Tips</b>	
<b>Overall advice - Would you recommend this exchange</b>	ABSOLUTELY GO!!! Konstanz is so beautiful, its not a big party city but its an incredible place and so unique. Its hands down the prime location for travelling, as it is beside 4 different countries. Go on all of the trips, especially the international office ones; it might sound cringe or boring but it really is the way to make friends. The winter can be dark, but the Summer makes it all worth it.
