This fellowship was founded in 2007 by a bequest from Dr. Charles C.C. O’Morchoe in memory of his late wife, Dr. Patricia Jean O'Morchoe, his grandfather, Charles Jasper Joly, and his grandfather's cousin, John Joly. Drs. Patricia Jean and Charles C.C. O'Morchoe are graduates of Trinity. Charles C.C. O'Morchoe, who was elected a fellow of Trinity in 1966, passed away in April 2011.

The Joly-O'Morchoe Exchange Fellowship is for students enrolled at the University of Illinois College of Medicine at Urbana-Champaign and from the School of Medicine at the University of Dublin, Trinity College. The fellowships will allow one student from each of these institutions to undertake a clinical clerkship and/or research experience of between four and eight weeks in duration.

Application Guidelines

- The annual fellowship will pay for expenses and will be up to a maximum value of $6,500 allowing a student from each College to study abroad at the other institution for a four-week period. The Scholarship amount varies from year to year and expenses beyond the Scholarship amount must be covered by the recipient. The Scholarship is paid in installments during the fellowship period.
- Candidate must make an application to the Director of Undergraduate Teaching and Learning by 5.00 p.m. on the closing date of Monday, 8th December 2014.
- Fellowships are to be awarded to students based on their academic merit, on their potential for career advancement through study abroad and on their deemed ability to represent their university abroad in an appropriate manner. Thus, students selected for a Fellowship award shall have an excellent academic record and shall have demonstrated a level of commitment and responsibility commensurate with that deemed appropriate for study at another institution.

- Applications for this fellowship shall include a CV, a brief proposal on how the experience is expected to enhance the applicant's career in medicine, and the students' specific plans for what they will accomplish while on the fellowship programme. The fellowship will be awarded on the recommendation of the committee as outlined below.

Scholarship Award

- Awards are made on the recommendation of a committee comprising the Director of Undergraduate Teaching and Learning and the International Programmes Coordinator.
- The recipient accepts the award and confirms it in writing to the School of Medicine within one calendar month of the date of the award letter.
- It is a condition of the scholarship award that recipients write to the O'Morchoe family to acknowledge the award and to send a report on their experience at the end of the fellowship.
