

**Trinity College Dublin**

Coláiste na Tríonóide, Baile Átha Cliath

The University of Dublin

## **Pre-registration Health Screening Form 2023/2024.**

**Please note the deadline to have your pre-reg health screening completed is the 6<sup>th</sup> of October 2023.**

### **WHAT TO DO:**

As soon as a student receives their offer, they must complete the Trinity health screening process and have their bloods screened as specified on form. They may attend College Health Service, in Trinity College, or a registered GP of their choice to complete this process.

#### **1.College Health Service, Trinity College:**

##### **Check-List**

Booking in with College Health Service

- To book an appointment for your Health Screening with the College Health Service, please Telephone on + **353 (1) 8961556** or + **353 (1) 8961591**. This clinic is located on Campus in Trinity College.
- Please obtain official copies of childhood immunisation records prior to attendance. You may obtain these records from your local HSE Immunisation office or the clinic where these immunisations were administered. If you cannot obtain these records before your appointment, you may still attend. For more information on how to obtain these records please follow this link or type this URL into a web browser  
**<https://www.tcd.ie/students/orientation/assets/pdf/Health%20Screening%20for%20TCD%20website%202023.pdf>**
- You are required to obtain vaccine records for the following, where possible:
  1. BCG immunisation record
  2. 2 records of MMR vaccine
  3. 2 records of Varicella vaccine\*
  4. \*If you have not previously received varicella vaccines, you may submit a blood test result for Varicella IgG.

**Please note:** The College Health Service is cashless, payment must be made payable to College Health Service TCD by Credit Card, Debit Card, or T-Card.

- x3 hepatitis B vaccines €120, alternatively pay separately €40 per vaccine.
- IGRA testing (if required) €120
- Varicella (if required) €70 per vaccine
- MMR vaccine – free of charge (\* please have your PPS number \*)
- Health Screening blood samples €90

**Please note:** Unfortunately, this is not covered by medical card. Please contact College Health for any further information on costs.

**Regarding Covid-19 vaccination:** all incoming students will be required to provide proof of vaccination to your school. Please provide your relevant school with proof of vaccination.

## 2. A Registered GP or Occupational Health Clinic

Check-List

- Make an appointment with College Health, as above or your registered GP
- Obtain copies of your childhood **BCG and MMR vaccine** records from your local Immunisation Office / GP /Vaccine clinic.
- Bring this booklet and copies of your BCG, MMR and Varicella vaccine records to your appointment where available.
- When the above is completed and you have received your blood test results, upload these, along with your vaccine records to **Team's Health Screening portal**  
**CLICK ON LINK TO UPLOAD [HEALTH SCREENING PORTAL](#)**

If you have any issues regarding the portal, please contact College Health on **01 8961591, 01 8961556, 01 896 8555 (Please note that you can only access the portal through your TCD email address) do not attempt to use another student's email address when uploading your health screening documentation.**

**For any further questions, please contact the relevant person in your school or the College Health Service on 01 8961591, 01 8961556.**

(Your hepatitis B vaccinations will be arranged through your school, with your class). Dates will be released to your class within two weeks of term. **ALL STUDENTS must attend their first hep b vaccination appointment with their class, even if they have chosen to get their vaccines with another GP.**

## **INFECTIOUS DISEASE SCREENING & IMMUNISATION RECORD**

Please note, ***official lab reports and immunisation documentation must accompany this form***, we do not accept handwritten proof.
