MEMORANDUM

To: School of Religion
From: AHSS Officer, Graduate Students’ Union
Date: 07/10/2019

Dear Students,

Please see below details re the election of the School Student Representatives which Ms Gisele Scanlon, Vice-President, Graduate Students’ Union, Trinity College Dublin has asked me to circulate.

We ask that the newly elected reps aforementioned familiarise themselves with their roles and responsibilities available here! It is also useful for students / those who intend to put themselves forward as a class representative to review the course and school rep responsibilities as it makes it clear the type of issues they can bring to the school representative and by ourselves in the GSU Executive.

The School rep and the Research rep, when elected will sit on the School’s School Executive to represent Postgraduate students. The Research student rep will also sit on the School’s Research Committee. The Research student rep (Ph.D Rep) will also have a (Ph.D Vice-Rep); the latter positions are for a 2 years duration, beginning in the academic year 2019/20, and so do not require a new election for 2020-2021.

Please note: If a class has decided amongst themselves that one person should be the Graduate Students’ Union rep, could the name and email of the person deemed elected be sent to Ms Gisele Scanlon, at email please: vicepresident@tcdgsu.ie and copied to Aideen Woods at email: aiwoods@tcd.ie. However, if more than one candidate expresses interest in a position, arrangements will be made for an election to take place on behalf of the GSU in the School of Religion. Please see details below of when the elections will take place.
