

Dear Trinity Legacies

For a recent peer-review paper in the medical scientific literature to support my proposal for a new name for the Berkeley Library - please see 'Anarcha, Betsey, Lucy and the women whose names were not recorded: the legacy of Marion J Sims' by Monica Cronin in Anaesthetic Intensive Care in Nov 2020 (PubMed link below).

Thank you for your consideration.

Chris Fitzpatrick
Student attending short courses in history in TCD
Clinical Professor (obstetrics & gynaecology) UCD
