# **Postgraduate Research Showcase**

**Friday, March 31<sup>st</sup> 2023**

**Trinity College Dublin**

Coláiste na Tríonóide, Baile Átha Cliath  
The University of Dublin

**Dear Colleagues,**

The Department of Clinical Speech and Language Studies invite you to join us for our annual Postgraduate Research Showcase. This event is a hybrid event. Those who wish to attend live should come to 3/4 Foster Place, Dublin 2. Those who would prefer to attend online are welcome to contact our Executive Officer at [cslssec@tcd.ie](mailto:cslssec@tcd.ie) for Zoom details.

The Postgraduate Research Showcase comprises a series of short presentations from our MSc and PhD students about their field of interest. Each presentation will be ten minutes long, with five minutes for questions afterwards. Each presentation will provide an update on the literature in the area and for some, preliminary findings. This call will not be recorded.

We're very conscious of the extreme time pressures that clinicians are under, so presentations are broadly grouped by topic area and we encourage you to 'drop in' to different presentations as your schedule allows.

With best wishes,

Dr Ciarán Kenny

Postgraduate Programme Coordinator

Department of Clinical Speech and Language Studies
