BESS/PPES

Senior Fresh Pathway Options

Information session for JF students entering SF year in 2022/23

April 13, 2022

What are pathways?

And when will you select them?

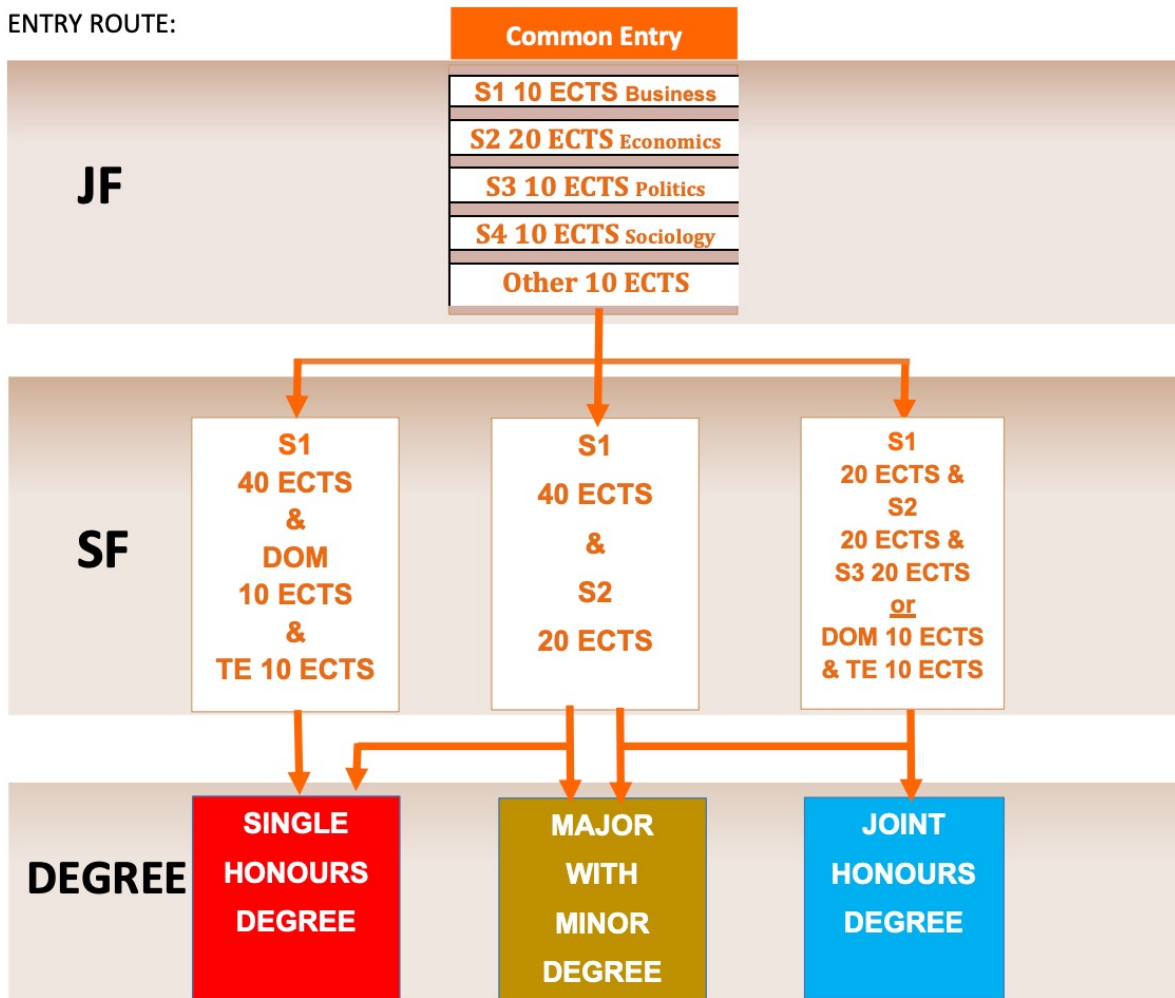

- Pathways give *flexibility* about your programme of study and your exit degree
- Depending on your pathway you have options to take *Designated Open Modules* and *Trinity Electives*, which are modules from disciplines outside your core subjects
- You make your *pathway choice for your Senior Fresh year* after completion of your Junior Fresh year
- *Pathway choice for SF* does not yet commit you to a specific *exit degree* (exception: Single Honors pathway)

BESS and PPES are Common Architecture Programmes

Which pathways are available to you in SF year?

FRESHMAN YEARS: 120 ECTS

ENTRY ROUTE:

- **Single Honors**

40 credits in chosen Subject, 10 credits of *Designated Open Modules* and 10 credits of *Trinity Electives*

- **Major with Minor**

40 credits in S1 and 20 credits in S2

- **Joint Honors**

20 credits in S1, 20 credits in S2, 10 credits of *Designated Open Modules*, 10 credits in *Trinity Electives*

- **Three Subjects/Triple Strand**

20 credits in S1, 20 credits in S2, 20 credits in S3

Which pathways to choose?

Things to consider

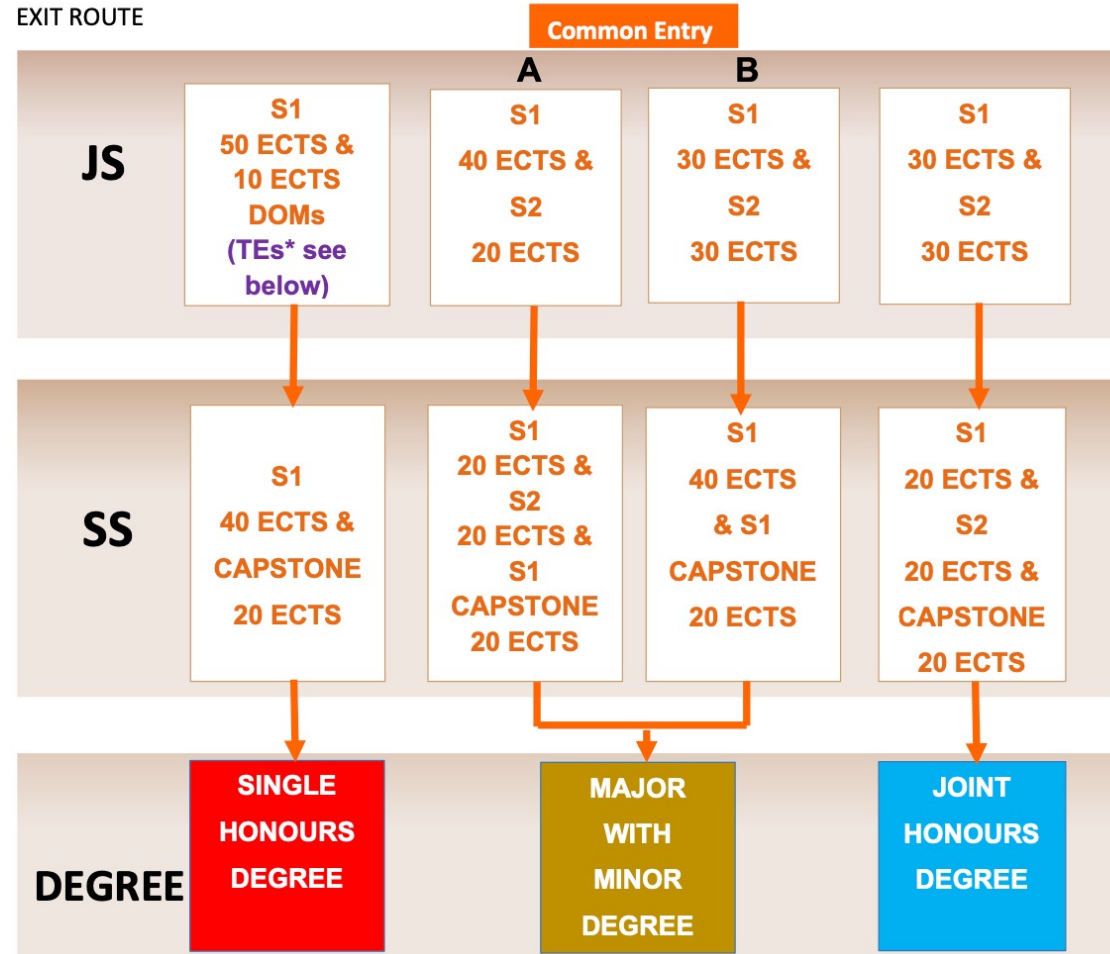

- Academic decision up to you! You may consult academic staff in your subjects and department websites for information
- Do you want to take Designated Open Modules and Trinity Electives?
- Remember: You will still have options as to your degree pathway at the end of Senior Fresh – with exception of Single Honors Pathway
- For a Single Honors degree you need to take 40 ECTS in the subject in Senior Fresh (either through Single Honors or Major/Minor pathway)

Looking ahead

Choices for Junior Sophister Years (your third year) and fourth year study

SOPHISTER YEARS: 120 ECTS

EXIT ROUTE

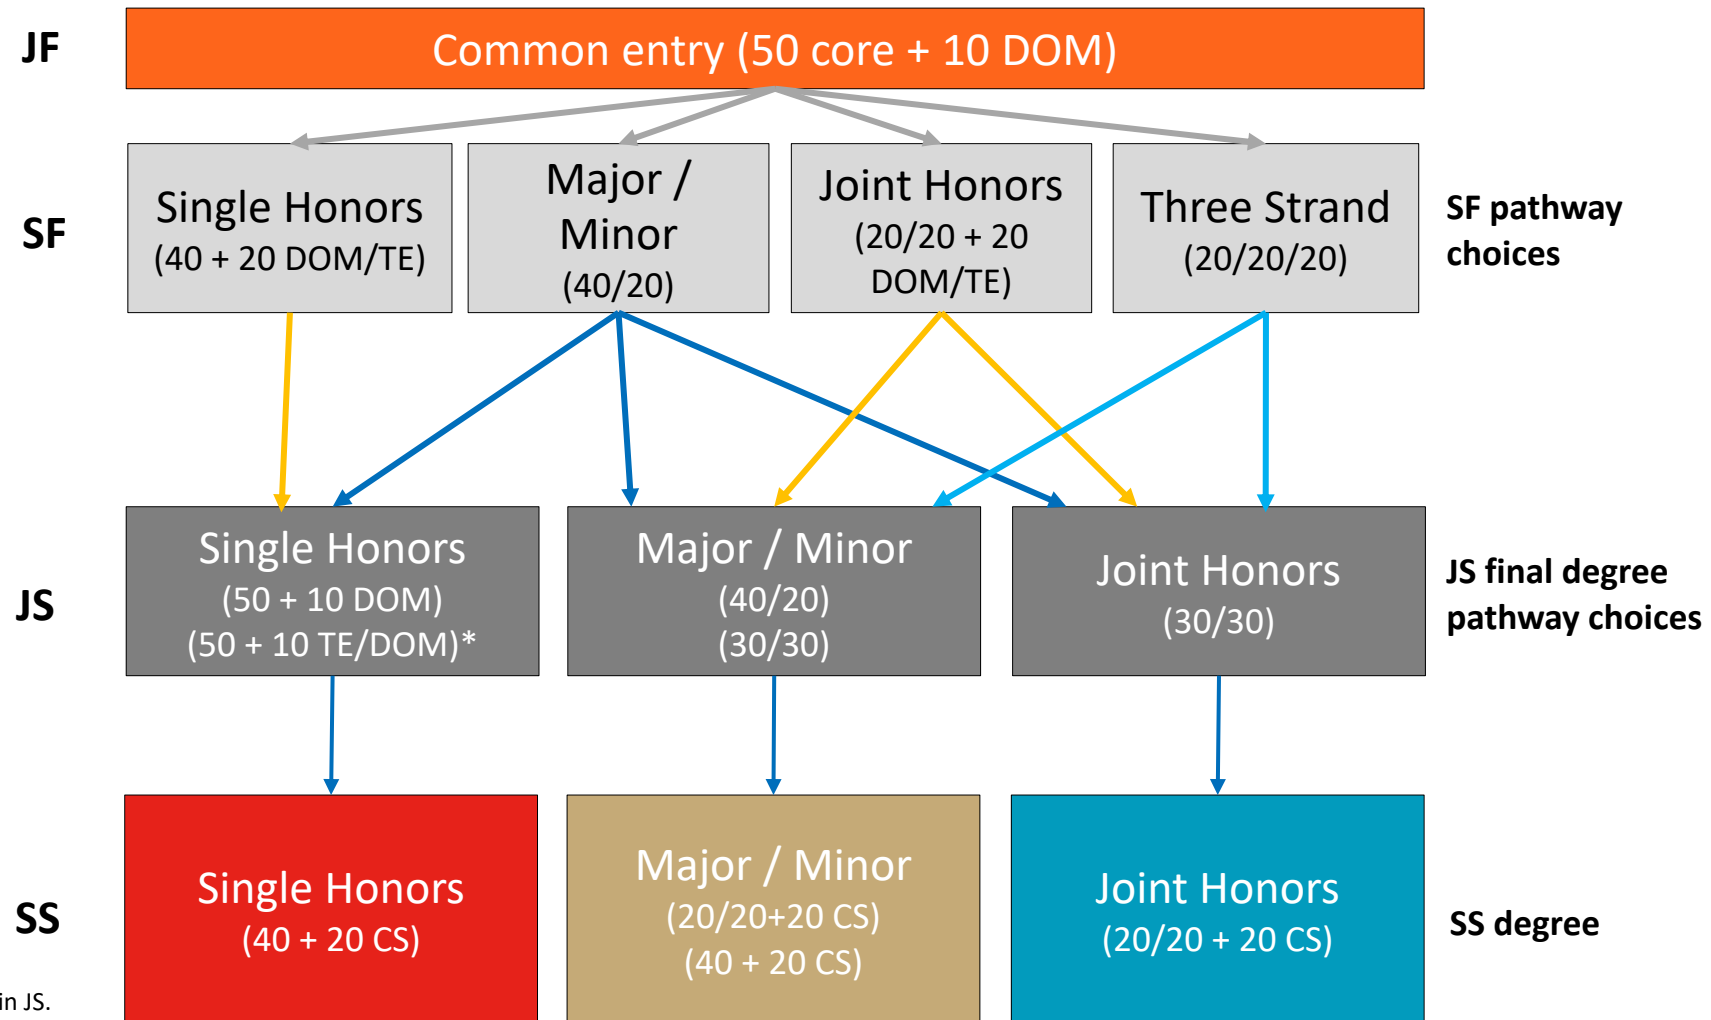

You choose your **final degree pathway** after finishing your Senior Fresh year:

- **Single Honors (SH or MM in SF)**
50 credits in Subject + 10 DOM, or if coming in from SF MM, a minimum of 5 ECTS in TE mandatory, remaining 5 ECTS to comprise either one DOM or a further TE
- **Major with Minor (MM, JH, TS in SF)**
40 S1 and 20 S2 (Route 'A') or
30 S1 and 30 S2 (Route 'B')
- **Joint Honors (MM, JH, TS in SF)**
30 S1 and 30 S2

KEY: S1=Subject 1|S2=Subject 2|DOM-Designated Open Module|TE-Trinity Elective|JS-Junior Sophister|SS-Senior Sophister

*SF Major/Minor who change to Single Honour in JS year must choose at least one Trinity Elective as they have not taken any in SF year

Summary

Anything else you should keep in mind

- If you are considering taking [Foundation Scholarship Examinations](#) in your SF year, the pathway you choose will impact the structure of your examinations.
- The [degree pathway](#) you choose for your [Junior Sophister year](#) will affect the structure of any Erasmus or Study Abroad Exchange.
- [Choose modules](#) in your Senior fresh [very carefully](#) – some degree options crucially depend on module choices in SF! (e.g., BESS students who want to study Business in Single or Joint honors; BESS/PPES students who want to capstone in sociology) – [check your course handbook for pre-requisites!](#)

BESS Students

Important prereqs in *Business*

Senior Fresh (2nd year) Modules

Module Code	Module Title	ECTS	Co-requisites ²	Prerequisite for JS/SS	Students taking 40 ECTS
SEMESTER ONE MODULES					
BUU22510	Organisational Behaviour	5		BUU33660	Mandatory

BUU33730*	Taxation 2	5	BUU22530 , BUU33720		Optional

Next steps

(Note: likely dates!)

Dates - DRAFT	Actions
Mid-June	Pathway selection opens for students that have progressed from Junior Freshman year. You will need to login to my.tcd.ie and click on the "My Programme" tab where you will be presented with options.
Early July	Make preferences for Trinity Electives, where applicable
Mid- to late-July	Online Module Enrolment for Designated Open Modules and Core-Optional Modules, where applicable

Different timelines will apply to students completing assessment in the re-assessment period. Further details will be communicated direct by the Academic Registry when available.
