Requirements

Requirements

Any student who takes part in an exchange during Junior Sophister year and hopes to study single honors politics in Senior Sophister year must ensure that the modules taken during the exchange include a module on political science research methods, equivalent to PO3110 and PO3111, that is approved by the Department's international coordinator, Dr Dino Hadzic.

The Department of Political Science can authorise a 'study abroad' only if exchange programmes are organised by the Study Abroad Office, the Department of Political Science, or another Department/School in Trinity that is involved in the student's degree programme.

Applies more generally to students planning on doing a capstone project in political science in their SS year.
