Things to consider before applying

- Erasmus is a wonderful opportunity:
 - ‘An absolute must. Best decision I ever made & I wasn’t even too excited about it when I went. Tell students to beg borrow or steal to fund it, it's worth it! Doesn’t matter where you go either, its just about the friends you make.’
 - ‘By far the best year of my life overall.’
- But part of the experience can be challenging:
 - *‘I hadn't fully considered the implications of moving away from family and friends for 7 months and at times found this harder than I had expected. However overall it was a great experience and I would definitely do it again.’*

Part of the experience is taking responsibility, being comfortable in a new and different environment, developing resilience and independence.

Which Exchanges can I go on?

- Check the exchanges available for each department you are studying with on website: <https://www.tcd.ie/ssp/undergraduate/study-abroad/Outgoing/destinations/index.php>
- Note: there will be some changes in available exchanges so **please check the website on Monday 10th September**
- You are eligible to apply in either Department/School you are studying with
- If you study two subjects, you **must** make sure that you can take both subjects in the university you select before applying
- Also: There are some international (non-EU) exchanges for non-Erasmus options (Trinity Business School; Economics)

Half a Year or a Full Year?

- If you spend half a year abroad, you will be examined on the basis of work completed in Trinity and abroad
- If your second subject is not offered in a university you are interested in you may consider going on a half year exchange, **provided you are able to frontload your modules - check with coordinator***
- There is a section to indicate your preference on the application form

Applying for Erasmus

- Application form will be made available on the following webpage as soon as applications open:
<https://www.tcd.ie/ssp/undergraduate/study-abroad/apply/>
- There will be a practice application form in word available on the webpage.

- **Applications open on: Monday 10th October 2022**
- **Deadline: Thursday 10th November 2022 12noon**
- Places will be allocated on basis of grades, availability and suitability of exchanges

Applying for Erasmus

- When giving your JF grades please enter **NUMERICAL** grade*
- You will be asked to list up to five top preferences
- Please do your homework on which exchanges are **suitable for your subject combination** before you list them on the form

* These results will be checked and students who misreport their results will be excluded from the selection process

Applications outcome

- First round offers are made in mid-January / early February
- Those who have been offered **College-wide places** and are also offered Erasmus place will have to inform the School and Global Relations & accept/decline Erasmus or College-wide offer
- You will have roughly **a week** accept or decline the offer
 - Please note: before you accept consider financial implications etc. as **withdrawals are only permitted in exceptional circumstances**
 - If you **reject or do not reply** to an offer, you will be excluded from the selection process
- Remaining places will be offered in following rounds

Applications outcome

- You will be invited to **apply to the host university** after Academic Registry has nominated you
 - This process differs slightly in each host university
 - Ensure to do this promptly when invited

Requirements

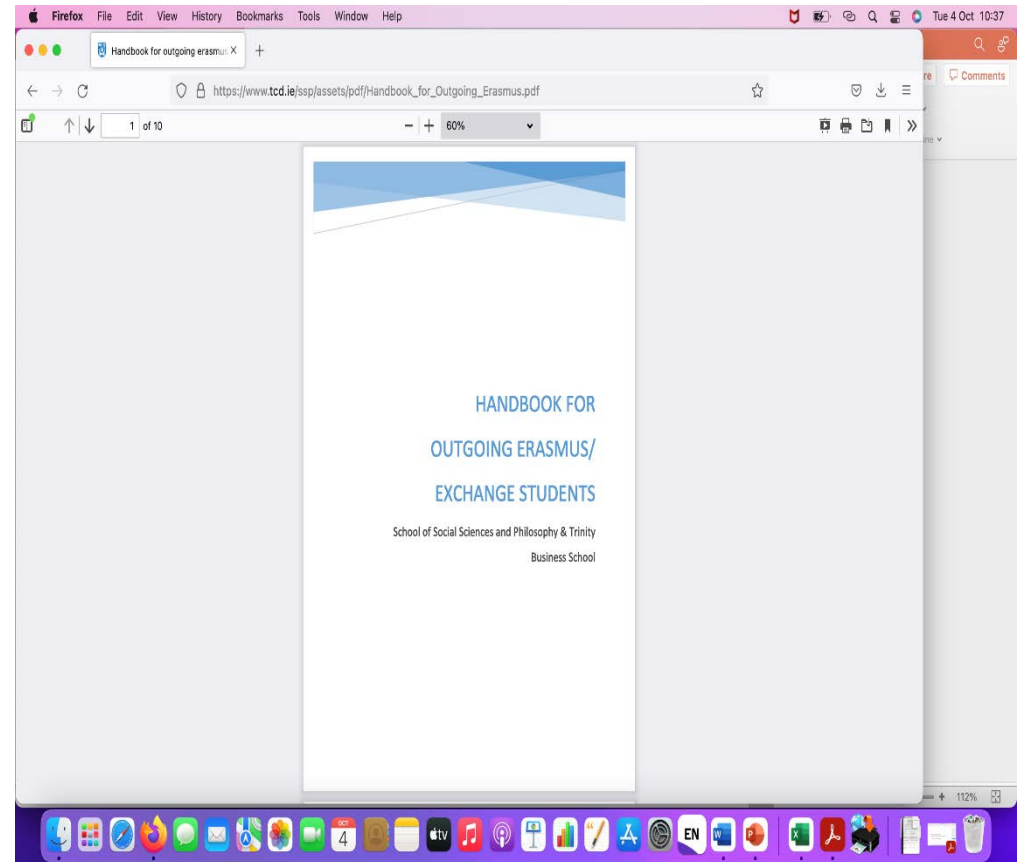

- You must remain registered at TCD even if you go abroad for a full year, so make sure you are registered before leaving.
- **Offers are made subject to conditions and an absolute minimum of a second class honours (II.2) at the first attempt in the Senior Fresh year is required for all Erasmus exchanges.**
- Make sure you have a valid passport and the European Health Insurance Card (EHIC).

Who is responsible for what?

- We expect **you** to:
 - Research exchange programmes thoroughly before you apply/accept an offer
 - Be able to act independently on a day to day basis
 - Investigate courses in advance, but expect to be flexible
 - Inform us if you encounter difficulties
- Although we will give you all the assistance we can to support you academically, **we cannot**:
