The University of Dublin

HEALTH SCREENING & VACCINATION  
**STUDENT INFORMATION BOOKLET 2020/21**

### WHO SHOULD COMPLETE THIS?

This should be completed by all new entrants to Trinity College Dublin, the University of Dublin in Dentistry, Medicine, Occupational Therapy, Physiotherapy, Radiation Therapy, Pharmacy & Pharmaceutical Sciences, Clinical Speech & Language Studies, Social Work & Social Studies and Human Nutrition & Dietetics. **All Trinity health screening requirements must be completed by the 29/10/2020.**

**Note:** This is not applicable to new entrants to Trinity in Nursing & Midwifery. Their health screening process is completed in conjunction with their health service provider. In the event this form is received please disregard.

### HEALTH SCREENING AND VACCINATION REQUIREMENTS AT TRINITY

1. All students, upon accepting their offer must contact their local immunisation office, local GP or their parents to obtain their childhood immunisation records and then to email them to [prereg@tcd.ie](mailto:prereg@tcd.ie). The main three required are **MMR, BCG and Varicella (chicken pox)**.
2. Students must return satisfactory proof from their registered GP or Trinity College Health that they are not currently infected with **Hepatitis B** (core and surface antigen) **or C**. In the case of a positive result from the above, a student must demonstrate a negative Hepatitis B e-antigen (HBeAG) and HBV-DNA viral load or a negative PCR test for Hepatitis C RNA.
3. Students must show they have been vaccinated for **Pulmonary Tuberculosis (TB)** with evidence of a BCG scar which their registered GP or Trinity College Health must record. If they do not have a visible scar, their registered GP or Trinity College Health will be required to carry out an IGRA (Interferon Gamma Release Assay) test.
4. Students must ask their registered GP or Trinity College Health to certify their immunity to **Chickenpox, Measles, Mumps and Rubella (MMR)**. With regard to MMR, serology is not acceptable. The student must have evidence of 2 MMR vaccinations. Varicella serology is acceptable but, if negative, Varicella vaccination is required.
5. Students entering the following disciplines, *Medicine, Dentistry, Occupational Therapy, Physiotherapy, Clinical Speech and Language Studies, Radiation Therapy, Human Nutrition and Dietetics*, will also be required to seek vaccination against influenza each year, this may be provided by the hospitals, Trinity College Health or students own GP.
6. Trinity will only accept an original test result from a recognised medical establishment, stamped and authorised by a qualified official and carried out not more than nine months prior to entry. The University reserves the right in all cases to require a confirmatory test in a testing centre of its own choosing.
7. Overseas applicants are advised to undergo testing in their home country and to post the results directly to their department of study ASAP. Incomplete documentation will not be accepted. **Failure to complete all Trinity health screening requirements by the 29/10/2020 may result in a student being withdrawn from their course and a re-admission fee will apply.**
8. Precautions against infectious diseases are governed by the Blood Borne Viruses (BBV) regulations which have been agreed by the Medical Schools of Ireland and represent the consensus view of the Council of Deans of Faculties of Medical Schools in Ireland.
9. Before commencing clinical contact with patients, students may be required to undergo further testing to determine the effectiveness of their immunity to Hepatitis B. Depending on the results of the tests, students may be required to complete a series of vaccinations or obtain a booster. Full details will be provided following registration.

## Trinity College Dublin

### WHAT TO DO:

As soon as a student receives their offer they must complete the Trinity health screening process and have their bloods screened as specified on **'FORM B (PARTS 1-6): THE IMMUNISATION RECORD'** section of this booklet. Students can complete this process via:

#### 1. Trinity College Health:

##### Check-List

- Telephone in advance to make an appointment on + 353 (1) 8961556 or + 353 (1) 8961591
- Health screening clinics will be held from the 15/09/2020 – 15/10/2020
- Obtain copies of childhood BCG, MMR and Varicella records from your local HSE Immunization office
- Print this booklet and complete **'FORM A'** on page 5.
- Bring this booklet and the copies of your BCG, MMR and Varicella records to your appointment
- Trinity College Health will then complete the health screening process from start to finish

#### 2. A Registered GP:

##### Check-List

- Make an appointment with your registered GP
- Obtain copies of your childhood BCG, MMR and Varicella records from your HSE Immunization Office
- Print this booklet and complete **'FORM A'** on page 5
- Bring this booklet and the copies of your BCG, MMR and Varicella records to your appointment
- Ask your GP to read the **'LETTER TO GP'** section of this booklet on page 4
- He/she must send your blood samples to your regional/national reference laboratory for testing
- Your GP must complete **'FORM B (PARTS 1-5)'** of this booklet on receiving your blood sample results
- Post **'FORM A'**, **'FORM B (PARTS 1-6)'** and your **official laboratory** results to your School/Department
- Please find the contact details for your School/Department on page 11
- Trinity College Health must review your documentation and complete **'FORM B (PART 6)'**
- This must be completed by the 29/10/2020.

### COSTS

Trinity College Health will charge an applicant €250, for the following service:

- ✓ Blood sample(s) required for screening
- ✓ Transportation and retrieval from the blood laboratory
- ✓ All necessary follow-up vaccinations
- ✓ Result interpretation/record on file in Trinity College Health Service.

Trinity College Health will charge an applicant €330 for the above services and if an IGRA test is need required

This fee does not cover the Chicken-pox/Varicella-Zoster Virus (VZV) vaccination (€70 per injection, 2 required) or the flu vaccine (€20 per vaccine) should it be required. **All costs must be met by the student.** Payment must be made payable to *College Health Service TCD* by Credit Card, Debit Card or T-Card.

LETTER TO GP

Trinity College Dublin  
College Green  
Dublin 2

Dear Doctor

The prospective student presenting this letter has been offered a place in Trinity College Dublin, the University of Dublin which is contingent on the completion of the Trinity health screening process by the **29/10/2020**. Please see pages 2-3 of this booklet for full details of this process.

We would be most grateful if you could test and screen your patient as detailed and complete **'FORM B (PARTS 1-5): THE IMMUNISATION RECORD'** section of this booklet. You will need to obtain a blood sample and send it to your regional or national virus reference laboratory for testing. Students must return satisfactory proof that they are not currently infected with **Hepatitis B** (core and surface) **or C**. In the case of a positive result from the above, a student must demonstrate a negative Hepatitis B e-antigen (HBeAG) and HBV-DNA viral load or a negative PCR test for Hepatitis C RNA. Blood results must be returned to you.

It is the responsibility of the student to ensure that **'FORM A: STUDENT CONSENT'** and **'FORM B (PARTS 1-6): THE IMMUNISATION RECORD'** are returned by post completed as specified in this booklet along with their official laboratory results to their correct School/Department of Study to be reviewed by Trinity College Health. Contact details for the all Trinity Schools/Departments with health screening and vaccination requirements can be found on page 11 of this document.

Please note that the Trinity health screening process must be fully completed no later than the **29/10/2020** or the prospective student may be withdrawn from their course of study and a re-admission fee will apply. We recommend that you use a trackable postal method and retain copies of tracking numbers. Responsibility for the payment of these tests rests with your patient.

Thank you for your co-operation in this matter.  
Trinity College Dublin

FORM A: STUDENT CONSENT (please use BLOCK CAPITALS only)									
1. Students Name: (Surname)	_____								
(First Name)	_____								
2. Department Name:	_____								
3. Student Number:	<table border="1"> <tr> <td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td> </tr> </table>
