Once you have registered emails will be sent to your new TCD email address.

A username and password has been created to give you immediate access to my.tcd.ie.

Username: Shown on the top right corner of both the email and letter you received. This is also your TCD student ID Number.

Password: This is your date of birth in the format DDMONYYYY, e.g. 03FEB1995

Students who have previously accessed the my.tcd.ie website should continue to access it using your current username and password as this has not changed.

When you have been invited to register you will see an in-tray message in your student portal and you will have access to the Register tab in the portal on the top menu.

In order to complete on-line course registration, you should click on the tab and proceed.

You must complete all tasks successfully before the process is complete. When you have completed these tasks successfully you will see a green tick. If tasks are incomplete they will be highlighted by a red X. All mandatory fields are marked with an asterisk (*).

Online registration does not have to be completed in one sitting. You can complete a task or multiple tasks, exit and return later to proceed. The completed tasks will be saved when you log out. You must complete each individual task before registration is complete.

Please view our step by step guide and video podcast at www.tcd.ie/academicregistry

ORIENTATION

To help you settle in to Trinity, orientation week runs from 2nd to the 6th September 2019. This week includes information talks, tours, social events and a welcome from the Provost.

THE ORIENTATION WEBSITE

The first thing you need to do now is to go to tcd.ie/students/orientation and click on ‘Undergraduate Students’.

The orientation website has a lot more information that you’ll need to get registered and to start your course.

Click on ‘Orientation Timetables & Important Course Information’ to find your course. Some courses have additional requirements before you can register and you will find them here.
There is a lot of useful information about Trinity and orientation on the site, so do make sure you spend some time looking around.

For mature students, students with disabilities and TAP/HEAR/DARE students, there is also important information for you about additional orientation events (you’ll find it in the left navigation) so make sure to read it.

If you need to get health screenings, Garda vetting, or submit module choice forms before you register, it’s vital that you do this as soon as possible as you may not be able to complete your registration without submitting these forms.

All of the information you’ll need to complete these will be on the orientation website.
You will see a number of events on your orientation timetable. Orientation events are mandatory for students, unless stated otherwise.

**Provost’s Welcome**

Please attend on Monday 2nd if your surname begins with A-L, or on Tuesday 3rd if it is M-Z.

**General Sessions** – these sessions will cover student supports and services, how we do things at Trinity and key information to survive your first couple of weeks (where to go, eat, drink, how to manage your money, and, of course, how to study). You must attend both sessions as they cover different things.

**Course Orientation** – this session is given by your school to take you through the academic expectations of the year. You’ll get a chance to meet some of your lecturers, and find out what kind of classes you’ll be taking and how you will be assessed.

**S2S Mentor tour** – your S2S mentor is a really important person in your first year. They are older students in your course who will meet you to take you on a campus tour, and show you around the Library and Sports Centre, as well as answer all the questions you have about being a student in Trinity. Your mentor will give you a wristband for you to collect your ID card and get your free re-usable water bottle on the tour so it’s really important to attend.

**Optional lunchtime talks** – lunchtime talks cover academic skills, looking after yourself as a student and other things that will help you while you’re here.

You may have more events than these on your timetable, and if you do they are specific to your course. These are also compulsory.

These are just the official Trinity events during Freshers’ Week, don’t forget the Students’ Union (SU) also run a number of nights out to help you meet other Freshers and Clubs and Societies have a very busy week of events too. Join their Facebook groups for details!
YOUR FIRST SEMESTER

THE FRESHERS’ FAIR!

When you come in through Front Gate for the first time during Orientation week, you will walk straight into the Freshers’ Fair.

Student Clubs and Societies set up stands in Front Square, where they will try to entice you to join them with activities, events and free stuff!

Clubs and societies can be the best ways to make new friends in college so you should join a few that you are interested in (but don’t go too overboard in the first week, you can always join later in the year too – we don’t want you to spend your food budget on joining fees!)
Societies – There are over 100 student societies that cater to almost any hobby or interest you could have in Trinity. Some are academic or societies for arts & culture, politics, volunteering, and many more. If like-minded students, the societies are where to go.

DATA PROTECTION

1. What data do we hold?
In the course of performing university functions and associated student services, Trinity processes lots of data about students. Common examples include names, addresses, student numbers, photographs, mobile telephone numbers, dates of birth, etc. In some cases, Trinity may also receive sensitive personal data about students, such as health or welfare data. For example, our College Health Service, Counselling Service or Disability Service may receive health or conviction data in the course of performing their functions.

2. What do we use it for?
Trinity processes and discloses your data to various departments/units within Trinity for the purpose of performing university functions and providing associated facilities and services. For example, we compile and retain the student registration data you give us and we maintain an ongoing record of course selection data, examinations data, attendance data, awards and credits etc. Student data is shared with Trinity Foundation who manage alumni relations on behalf of Trinity.

We will not normally use your data for any unrelated purpose without your consent. However, in exceptional cases permitted by data protection laws we may process and disclose data without consent or notice to you, for example if it is required to investigate offences, to prevent injury or damage or to comply with a legal obligation.

3. Accessing your data
You have a legal right to access your personal data subject to payment of the statutory fee and certain exceptions which are set out at law. To ensure a coordinated and appropriate response to data access requests, all such requests should be directed to Trinity’s Information Compliance Officer, they should clearly and distinctly identify the specific personal data being requested and they should be accompanied by the statutory fee (currently €6.35).

4. Parents/Guardians
As Trinity considers students, even if they are not yet 18, to have the maturity to give consent for the use of their data, in normal circumstances, Trinity will not disclose personal data to the parents, guardians or other representatives of a student without the student’s consent. Trinity’s preference is to receive written consent by way of email from the student where possible. Without such consent Trinity will not release any details regarding students including details of their registration, attendance, fee payments etc. However, there may be exceptional circumstances, for example, in the case of potential danger to the health or well-being of a student or if a representative such as a solicitor or politician has written to Trinity making it clear that they are acting on behalf of the student.
5. Further information

The full policy is available at [tcd.ie/info_compliance/dp/policy.php](http://tcd.ie/info_compliance/dp/policy.php)

Trinity has appointed an Information Compliance Officer who will assist Trinity and its staff in complying with the data protection legislation. Specific queries or concerns should be addressed to [Information.Compliance@tcd.ie](mailto:Information.Compliance@tcd.ie)

Trinity processes and discloses your data to various departments/units within Trinity for the purpose of performing university functions and providing associated facilities and services.
