Why Ireland?

Ireland is a member of the European Union and is located in the North Atlantic beside the UK. Ireland is an English-speaking country with a young, vibrant population. It boasts a unique combination of cosmopolitan cities, breath-taking scenery, idyllic countryside and historic sites. The country is a European hub for innovation and industry with global companies such as Google, Facebook, Microsoft, Intel, Pfizer and HP based here.

Ireland has been renowned for its people, music, literature and art for centuries. It is world-famous for its friendly citizens and warm welcomes.

Your University, Your City

Trinity’s is a unique, walled campus located in the heart of one of the most popular and safest cities in the world. Dublin is a vibrant, young and multicultural European capital, which ranks as the 37th best student city in the world (QS World’s Best Student Cities 2019).

Everything the city has to offer is easily accessible to Trinity students from shops, restaurants and coffee shops to theatres, museums and clubs, ensuring that there is always something exciting for students to enjoy. If you want to take time out to relax in nature, the city’s parks (including Phoenix Park, one of the largest urban parks in Europe), an easily accessible coastline, beaches and the Dublin Mountains are all close by.
Dublin Innovation District
Trinity’s location is also advantageous when you are looking for a job. Dublin’s Innovation District, the ‘Silicon Docks’ is within walking distance, as is the International Financial Services Centre, and a large number of other businesses and organisations which have their Irish headquarters in Dublin. Dublin is also home to many global corporations across a range of sectors.

Be at the Centre of Things
Trinity’s central location makes it highly accessible for all forms of public transport: Trinity has its own LUAS (tram) station, there is a DART (Dublin’s suburban rail system) station opposite the campus and a large number of Dublin’s bus services pass by the University. Dublin airport is 13km (8 miles) from the campus and is directly accessible via bus or taxi. Find out more at: www.tcd.ie/maps

Jakeline Diógenes – Brazil
Postgraduate: Digital Marketing

“I chose Trinity because it is one of the oldest colleges in the country, is also consistently ranked among the best and for Dublin’s reputation on the international stage. Tech companies such as Google, Facebook and LinkedIn are established here, they all have digital marketing departments and I hope to be a part of one of their teams someday.”

Undergraduate Applicants

Information Guide for Undergraduate Students

Undergraduate students choose from a wide range of full-time four-year courses, covering all disciplines. These include flexible subject combinations in three faculties: Arts, Humanities and Social Sciences; Engineering, Mathematics and Science; and Health Sciences. The range of offerings at Trinity allows students to focus on the areas that interest them most. A full list of courses is available at: www.tcd.ie/courses

Trinity Electives

Trinity aims to provide the broadest possible education and encourages its students to develop their critical thinking by taking an Elective outside their main disciplines. Trinity Electives are available to students from disciplines across the University. Each course will release sufficient credit to enable students to select their Trinity Elective modules. The suite of Trinity Electives will link to the University’s current strategic research themes, broaden student knowledge of key societal challenges or cover languages and cultures. Discover more at: www.tcd.ie/trinity-electives/electives

Below are some of Trinity’s electives:
- The Art of the Megacity
- Cancer: The Patient Journey
- Chinese Language and Culture
- Cultures and Societies of the Middle East and North Africa
- Design Thinking
- Emergence of Technologies
- Energy in the 21st Century
- Engaging in the Digital World
- The EthicsLab: Responsible Action in the Real World
- From Planets to the Cosmos
- Irish Language and Culture
- Toolkit for a Smart and Sustainable World
- Vaccines - Friend or Foe?

Find out more at: www.tcd.ie/trinity-electives/electives

Open Modules

Open Modules are modules that are taught as part of other programmes but are complementary and related to your own programme of study. Choosing Open Modules will allow you to broaden your perspective on your core discipline(s) through exposure to knowledge, skills and ways of thinking associated with related fields. Open Modules will provide you with a wealth of opportunities to enrich the study of your core curriculum and to develop the Trinity Graduate Attributes. Find out more at: www.tcd.ie/courses/undergraduate/your-trinity-education

Understanding Ireland Programme

Trinity also provides the Understanding Ireland Smart Start Programme, which offers international students a fantastic foundation for settling into their time at Trinity. The week-long programme is unique in providing both an orientation to life in Trinity and an academic introduction to understanding Irish culture – all before normal teaching begins. To read more about the programme, please visit: www.tcd.ie/study/international/pre-session-programmes

Blake Stephens – South Africa
Undergraduate: Law and Political Science

“Trinity is not only a world class institution, but is also an experience that immediately gives a sense of comfort and homeliness. Dublin always has something going on and is easily traversable on foot or by bicycle, making it a perfect student city. Ireland is steeped in history and lore that is palpable and tangible everywhere one goes.”

Lauryn Musgrove McCann – Australia
Undergraduate: Law

“The professors and teaching staff at Trinity are incredible and are always there to answer questions and lend a hand when you need. Everyone makes the effort to be nice and welcoming – especially to international students. I would describe Trinity as supportive because there is always someone who is willing to help.”

Honglin Li – China
Undergraduate: Computer Science and Business

“I chose Trinity because: it is one of the leading European universities, Trinity is notable for its high-achieving graduates in various fields such as Oscar Wilde, the quality of its education and because it is situated in an English-speaking country. What I’m enjoying most about the experience is the friendliness of the Irish people and the comprehensive module structures. I chose to study Computer Science as well as Business to have more choices for my future career.”
Two Degrees • Two Universities • Four Years

Dual BA Program

The Dual BA between Trinity and Columbia University offers students an international educational experience across two continents and at two world-class universities. Students graduate from the Dual BA with two degrees, one from Trinity and one from Columbia. Programs are available in both the Faculty of Arts, Humanities, and Social Sciences and in the Faculty of Engineering, Maths, and Sciences. During your studies, years one and two are spent at Trinity and the final two years at Columbia.

Admissions

Applicants to the Dual BA Program apply by 2 January for fall enrolment. The admissions process includes a review of the applicant’s academic history, letters of recommendation, a personal essay, and an interview conducted in English. Interested applicants are encouraged to preview a PDF version of the application (for reference use only) before starting an electronic application. Applications will be reviewed by a joint committee featuring admissions representatives from both Columbia and Trinity.

The Dual BA Program is adopting a one-year test-optional policy for first-year Anglophone applicants for the fall of 2021. For further information visit tcd.gs.columbia.edu.

Interviews

Applicants will receive an update on their application status by early March. Those invited for an interview will be prompted to schedule a time to meet with the admissions committee either in person in New York, Dublin or via teleconference.

Any student deemed eligible for EU fee status should also apply to Trinity through the Central Applications Office (CAO) www.cao.ie.

Please note that if you are not a native English speaker, the language other than English requirement may be waived.

**NOTE:**
A pass means grade C or above on IGCSE/GCSE or Advanced Subsidiary GCE (AS) papers. Students may combine grades achieved in different sittings of their Advanced GCE (A-Level) examinations for the purpose of satisfying minimum entry and/or course requirements.

For more information on A Level requirements visit: [www.tcd.ie/study/apply/admission-requirements/undergraduate](http://www.tcd.ie/study/apply/admission-requirements/undergraduate)

There are two different pathways for applications and fees in Ireland - applicants from EU/EEA and non-EU applicants. Click here to find the right pathway for you: [www.tcd.ie/study/apply/making-an-application](http://www.tcd.ie/study/apply/making-an-application)
How to Apply

1. Go to [www.tcd.ie/courses](http://www.tcd.ie/courses) and find the course you love.

2. Read the user guide for non-EU applicants [www.tcd.ie/study/international/how-to-apply](http://www.tcd.ie/study/international/how-to-apply)

3. When applying to Trinity you must also include a personal statement. This is 500 words on why you are considering Trinity and the specific course you have chosen, how you see yourself contributing to the Trinity community and what you see yourself doing with your degree. As part of the application process you will also have to provide us with references. Please provide email addresses for one counsellor and one teacher and make sure your referees know to expect a direct email request from Trinity.

4. Apply by selecting the ‘Non-EU Application’ link under the course description. You can save your application and return to it, but remember to submit it when you’re finished!

NOTE: Students who do not meet the requirements for direct entry to an undergraduate programme at Trinity may apply for the Trinity International Foundation Programme, see page 11 for more information.

Supporting Documents

When you apply for a postgraduate course online, you will have the option to upload your supporting documents. The following information is required before a decision can be made on your application:

▶ Two Academic References (or where appropriate clinical referees)
▶ Academic transcript(s) which must be certified by the issuing body. Please note that graduates of Trinity do not need to provide academic transcripts or certified copies of degree certificates
▶ Certified copy of degree certificate(s)
▶ Valid passport
▶ An application fee of €55 (non-refundable)
▶ A recognised certificate of English language competency if English is not your first language. (See English language requirements).

Entry Requirements

Postgraduate study in Trinity is academically challenging and as a result the University has high academic entry requirements. Applicants will need to hold:

▶ at least a 2.1 honours degree from an Irish university or equivalent result from a university in another country
▶ meet the English language requirements

Some courses may require higher standards or require you to take further tests or attend an interview.
**English Language Requirements**

All applicants whose first language is not English and who have not been educated through the medium of English must present one of the following qualifications in the English language:

- IELTS: Grade 6.5 overall
- TOEFL: 88 internet-based, 570 paper-based, 230 computer-based. The test taken here should be TOEFL IBT
- University of Cambridge Proficiency Certificate, Grade C or better (CEFR Level C1 or C2)
- Advanced Certificate, Grade C or better (CEFR Level C1 or C2)
- Pearson Test of English (Academic) - PTE Academic: a minimum score of 63 to be eligible (with no section score below 59)
- An award certificate with a minimum II.1 overall score from Trinity's Centre for English Language Learning and Teaching’s Pre-sessional Pathway Programme. The Pre-Master's Pathway Programme is an academic English course for international students with conditional offers for postgraduate study at Trinity. Passing the programme means you meet Trinity’s English language requirement and can progress to your postgraduate course without retaking IELTS or any other exam.

Please note that test scores are only valid for two years.

For further details on these English Language Proficiency Tests, please contact the appropriate organisation directly.

- [www.ets.org/toefl](http://www.ets.org/toefl)
- [www.ielts.org](http://www.ielts.org)
- [www.cambridgeesol.org/exams](http://www.cambridgeesol.org/exams)

An applicant whose first language is not English but who has taken a degree through the medium of English may be eligible provided they did not complete their studies more than two years prior to admission. However, some courses may request applicants to present an English language qualification under certain circumstances.

Please note that the required grade for the IELTS examination may vary from program to program. Please consult each program page at: [www.tcd.ie/courses/postgraduate](http://www.tcd.ie/courses/postgraduate)

Visa-required applicants who meet Trinity’s English language requirements may be required to present an additional English language proficiency qualification such as IELTS, TOEFL or PTE for visa application purposes. (See INIS language requirements, page 20)

**Alena Evteeva – Russia**

Postgraduate: Leadership and Management in Education

“Trinity is attractive for its fresh approach to education and the capability to provide both practical and theoretical knowledge. My first positive experience at Trinity started with the Freshers’ Week and Orientation. I was amazed by the variety of clubs and societies that were introduced to students and the atmosphere, which made me feel like home.”

There are two different pathways for applications and fees in Ireland - applicants from EU/EEA and non-EU applicants. Click here to find the right pathway for you: [www.tcd.ie/study/apply/making-an-application](http://www.tcd.ie/study/apply/making-an-application)
Ranked 101st in the world, Trinity is recognised as one of the world’s leading research-intensive universities and its research continues to address issues of global, societal and economic importance.

Trinity has research strengths that span the Sciences, Medicine, Engineering, Business, Arts and Humanities, a spectrum that is mirrored by our broad range of taught postgraduate courses and research opportunities at master’s and doctorate level. Our inspiring professors are global leaders in their fields, and they work alongside students in a common enterprise of discovery.

Trinity is also the first and only Irish university to join the prestigious ranks of the League of European Research Universities (LERU). Full details regarding Trinity’s research institutes, centres and themes are available at www.tcd.ie/research

The University has produced generations of outstanding graduates including writers such as Oscar Wilde and Samuel Beckett; scientists such as William Rowan Hamilton and E.T.S. Walton, who won the Nobel Prize for splitting the atom, as well as two Irish presidents, many industry leaders and entrepreneurs.

Postgraduate Research Students

As a truly international university, we welcome applications from prospective postgraduate students globally and we hope you will consider choosing Trinity for your postgraduate research.

Applications are submitted online at www.tcd.ie/courses/postgraduate/research and must include a detailed research proposal. This is reviewed by the relevant School and acceptance is dependent on the quality of the proposal and availability of adequate supervision. The Dean of Graduate Studies then conducts the final review and approval subsequent to meeting all criteria. All students undertaking a research degree are assigned to a single supervisor, though for some students there may also be an additional advisor.

Funding Opportunities

The University offers postgraduate awards which are available only to students intending to register for full-time higher research degrees (i.e. PhD). More information on postgraduate funding and scholarships can be found on our website: www.tcd.ie/study/postgraduate/scholarships-funding.

Kadek Ade Sawitri – Indonesia
PhD in International Business

"I choose Trinity because it is one of the most prestigious universities in Europe and I feel proud to be part of such a University. The environment and beautiful campus surrounds are amazing. Trinity really takes care of its students and the support system it provides for students is impressive. Irish people are also very friendly and helpful."

They are also responsible for all costs relating to the preparation and submission of their thesis or dissertation such as typing, binding and photography.

Funding and Scholarships

Trinity offers a number of scholarship opportunities to assist students of limited means and reward academic achievement. Students are also encouraged to explore external funding options in their home countries.

For more information on available scholarships please see: www.tcd.ie/study/international/scholarships.
Trinity is committed to ensuring that all international students have a positive experience while preparing to make the move to Dublin.

Living in Trinity accommodation brings a further dimension to your participation in university life. You will be living as part of the Trinity community and will have greater opportunities for getting involved in many aspects of student life while making lifelong friends.

**Trinity Hall**

Trinity Hall is a first year undergraduate designated off campus residence. Rooms are arranged in self-catering apartments, with each typically accommodating six persons and consisting of a mix of single and twin en-suite bedrooms with a large, shared kitchen/living room. Find out more at: [www.tcd.ie/accommodation/trinity-hall](http://www.tcd.ie/accommodation/trinity-hall)

**Kavanagh Court**

Available to undergraduate and postgraduate students, Kavanagh Court is a 15 minute walk from campus. Apartments are typically 6-bedroom, in single en-suite rooms with a large shared kitchen/living space. Find out more at: [www.tcd.ie/accommodation/kavanagh-court](http://www.tcd.ie/accommodation/kavanagh-court)

**On Campus**

Rooms on campus are primarily reserved for students in their final year and Trinity Scholars; however, there are a number of rooms on the campus suitable for students who have mobility difficulties and who are capable of independent living. Students may apply for a room once they have accepted a place in Trinity.

**Marino Institute**

For students on the International Foundation Programme, their accommodation is guaranteed in the Marino Institute. Find out more at: [www.tcd.ie/accommodation/on-campus](http://www.tcd.ie/accommodation/on-campus)

**Other Options for International Students**

For students who do not wish to avail of Trinity approved accommodation, an alternative is to seek private rented accommodation, usually sharing an apartment or a house with other students. The Trinity Students Union (TCDSU) Accommodation Advisory Service helps students find accommodation by providing them with advice and access to house-hunting resources. Find out more at: [www.tcdsuaccommodation.org](http://www.tcdsuaccommodation.org)
Visas

If you are an EU citizen, you do not need a visa to enter and live in Ireland. Some, but not all, non-EU/EEA students require an entry visa for Ireland. We advise students to apply for their visas early. To check if you need a visa, please visit the INIS webpage below:

www.inis.gov.ie/en/INIS/Pages/check-irish-visa

It is important to note that all non-EU students, whether visa-required or not, must register with the Irish Naturalisation and Immigration Service (INIS) for permission to remain in the state. Students must show their offer letter at airport immigration where they will receive a temporary stamp in their passport. They must register with INIS within the time limit specified on their temporary stamp. You can request a visa offer letter by emailing academic.registry@tcd.ie

Applying for a Visa

Students should submit their visa applications using the AVATS facility at: www.visas.inis.gov.ie. The application will only be processed when the online form is completed and the required documentation, passport photograph and appropriate fee are received by the relevant offices as indicated by the online system. There is a dedicated visa processing office in China, India, Nigeria, Russia, United Arab Emirates and the United Kingdom. Non-EU students resident in these countries, please refer to your local Irish Embassy website for further details or further documentation which may be required.

Please refer to the links below for Visa Guidelines:
- www.inis.gov.ie/INIS/pages/students
- Online guidance is available at: https://goo.gl/FuvJhl
- Contact details for embassies can be found here: www.dfa.ie/home/index
- Additional information on visas and immigration can be found at: www.inis.gov.ie

Mandatory Documentation

- It is a mandatory requirement for Non-EU students to have private health insurance and you will be required to show evidence. Non-EU students who will be resident in Ireland for a minimum of one academic year may apply to HSE www.hse.ie/eng to be assessed for entitlements to public hospital for treatment. Non-EU students staying less than a year do not have any entitlement to free or subsidised health services.
- Proof of sufficient funds to support yourself while in Ireland (bank account statements for six months previously and/or grant/sponsorship letter).
- Your offer letter from Trinity as well as evidence of a deposit paid to hold your place. Often the deposit amount required to obtain a visa is higher than the amount required by the University to hold your place. You are advised to pay the deposit amount required to obtain your visa. Your fee balance will be adjusted accordingly. If you have questions, please contact the Academic Registry. Visa letters can be generated by visiting the my.tcd.ie portal and selecting ‘My Applications’ and clicking on Generate Visa Letter. If assistance is required please email academic.registry@tcd.ie

International students are advised to use the Pay to Study option to pay fees. The Pay to Study receipt is accepted by the Department of Justice for visa purposes.

- Show evidence of language proficiency. For INIS language requirement please refer to: www.inis.gov.ie/en/INIS/pages/study
- Any other documents as requested by INIS or the Irish Embassy through which you are applying. The full list of required documentation is available on the visa and immigration website. See www.inis.gov.ie

Checking Your Visa Status

You should generally allow 8 weeks for processing time. You can check online for visa decisions using your visa application number at: www.inis.gov.ie/en/INIS/pages/Visa-Decisions. When your visa is approved, the Embassy to which you sent your documents will affix a visa to your passport.

Please note that all information in relation to visas and immigration registration is subject to change in light of restrictions that may be in place due to Covid-19 at the time of application.
Your Career Journey at Trinity

Our graduates are highly sought after by employers across all sectors and many have gone on to successful careers around the globe. See below for just a few examples of the diverse organisations that have recruited Trinity graduates in recent years. The Trinity Careers Service supports students in exploring their career ambitions for the future and planning how to achieve them.

Find out more about the Careers Service at: www.tcd.ie/careers

Eligibility to Work

Non-EU nationals who have permission to undertake undergraduate and postgraduate study in Ireland are entitled to take up casual employment, defined as up to 20 hours part-time work per week or full-time work during vacation periods when their coursework for the year is complete.

On graduation, undergraduate students have the possibility to stay in Ireland to work for one year on the Third Level Graduate Scheme, while eligible postgraduate students can stay for up to two years. This allows students to gain valuable work experience in Ireland across a wide range of industries and organisations. Students may also have the option of remaining in Ireland for a longer period if they are able to secure employment that meets the criteria for a Work Permit. For further information see: www.inis.gov.ie

Innovation and Entrepreneurship

Trinity is committed to empowering our students, enabling them to set up their own companies, realise their potential inside and outside of the lecture theatre, and become entrepreneurially-minded graduates.

As a European leader in student entrepreneurship, Trinity has established Tangent, Trinity’s Ideas Workspace. This world-class facility, co-located within an expanded Trinity Business School, offers students, staff and the wider innovation ecosystem a place to come together to collaborate, build and innovate.

Opportunities include:

▶ LaunchBox, Tangent’s Student Accelerator
▶ Tangent Pioneers, International Accelerator Programme
▶ The Provost’s Innovation Challenge at Tangent
▶ Undergraduate Certificate in Innovation and Entrepreneurship

Rukmani Mohindra - India

Current employment: Marketing Manager, EMEA, Clio - Legal Practice Management Software, Dublin

“I had an experience of a lifetime at Trinity Business School. The business students came from all over the world. Thus, I experienced diversity in terms of culture, language, experience and business etiquettes. Every day at Trinity Business School encouraged me to push myself beyond my limits. The programme provided me with practical experience and the skills and confidence to succeed in the corporate environment.”
Opportunities Abroad

Study, Work and Volunteer Abroad

Trinity students can study abroad as an integral part of their degree and Trinity has partnership agreements with many other world-leading universities. Trinity is a long-standing participant in the Erasmus Programme for European exchange and has many other international exchange partners in the US, China, Australia, and India as well as elsewhere in Asia, Africa and the Middle East.

Trinity supports its students going abroad by providing bursaries, for instance the Provost’s travel bursary.

Our students on international exchanges are able to take advantage of our International Welcome Programme which connects Trinity students on exchange abroad with one of our 131,000 Trinity alumni based in over 148 countries.

Trinity students benefit enormously from their experiences studying abroad. Find our more via our student blog: tcdglobal.wordpress.com/category/outbound-students

Short-term Study Abroad: Module Elective

Some courses also have shorter-term international field trips available as elective modules. For example final year students in our School of Natural Science can take a module in Tropical Ecology and Conservation. This involves an 11-day residential field course in East Africa at the Great Rift Valley. Watch some of our students talking about their fantastic experiences: www.youtube.com/watch?v=_K-79c84Cf4&t=2s

Working Abroad

Trinity’s Careers Service works with employers across the world to promote international work experience and job opportunities to Trinity students and graduates. Gaining international experience enhances a student’s employability, helps them to develop new skills and to gain a better understanding of working in an international environment.

Audrey Chew – Malaysia
Undergraduate: Psychology and Sociology

“My memories over the four years were a celebration of learning, trying new things I never did before, volunteering with non-profit organisations, making the best of friends from across the world, while pursuing my own personal passions of music and travel. This all challenged and nurtured my mindset of thinking. Inevitably it made me fall in love with Trinity, Dublin, and Ireland.”

Pranjal Bathla – India
Postgraduate: Mechanical Engineering

“It has been a great learning experience, both personally and professionally. During my time here I have met so many people who have opened my mind to new experiences and possibilities. I was lucky enough to get an amazing chance to do a one month internship in Deloitte.”
Your first days at Trinity

Freshers’ Week
Trinity offers orientation to all new postgraduate and undergraduate students prior to the start of the academic year. This week of orientation is known as Freshers’ Week. There are no classes, so it’s all about meeting your new classmates, student support information sessions, seeing what sports clubs and societies you want to join, meeting your student mentor who will give you a tour of campus and organise social events, meeting your tutor who will provide support to you throughout your years in Trinity, and of course, the Freshers’ Ball.

During Freshers’ Week you can also meet people from the Sports Centre, the Library and Student Supports and Services. These are the services whose job it is to make sure that you get the best out of your time in Trinity.

A specific International Postgraduate Student Orientation takes place before teaching commences. Details are available at [www.tcd.ie/students/orientation/postgraduates](http://www.tcd.ie/students/orientation/postgraduates).

What Happens After Freshers’ Week?
After the excitement of Freshers’ Week, teaching starts and you get a chance to settle into your course. Most classes are a mixture of lectures and tutorials and some have practicals as well. The tutorials are less formal and give you a chance to explore and discuss the topics covered in lectures with your classmates and teaching assistants.

Your class representative and your mentors organise events throughout the year that give you further opportunities to get to know your classmates.

Trinity in Twelve Weeks
The “Trinity in Twelve Weeks” programme aims to continue your orientation during your first semester and help your transition to university life. The programme has a new theme every week, through study and exam skills to how to look after yourself while at university. Your mentors will be in touch with you every week to let you know what the week’s theme is and to arrange events and activities.

Student Life at Trinity
Immerse yourself in a broad range of sports clubs and student societies and get a real sense of the ‘Trinity Experience’.

“I chose Trinity due to its unique historical legacy. The Old Library containing the Book of Kells and the Campanile are spectacular places on campus. The most enjoyable part of my experience in Ireland is Trinity’s multicultural and multidisciplinary environment. Trinity offers an academic environment where students from various countries and disciplines come together.”

Deniz Unsal – Turkey
Postgraduate: International and Comparative Law (LLM)
**Student Societies**

At Trinity, we have 120 student societies which constitute some of the most dynamic and active university student societies in Ireland with everything from the Animation Society to the Zoological Society. We are home to the world’s oldest student societies, the ‘Hist’ or Historical Society founded in 1770 and the ‘Phil’ which is the oldest debating society in the world, founded in 1683, and whose guests have included everyone from Hollywood heavyweights such as Martin Scorsese to International Space Station commander Chris Hadfield. Find out more at: [www.trinitysocieties.ie](http://www.trinitysocieties.ie)

**Student Entertainment**

University life is about so much more than just education and nowhere is this more evident than at Trinity. The University sits in the heart of Dublin city where there are endless extracurricular and recreational opportunities. You can immerse yourself in a broad range of sports clubs and student societies and through these activities you will get a real sense of the ‘Trinity Experience’, something that extends far beyond lectures, tutorials and exams.

You will also have the benefit of one of the best Students’ Unions in the country, providing students with a wide range of entertainment and events throughout your time in Trinity.

**Sports Clubs**

The Sports Centre is where the majority of our fitness classes and programmes take place, seven days a week. Facilities include a 25-metre swimming pool, climbing wall, fully equipped gym with free weights and cardio machines, virtual cycle and a wellness room. Students are automatically members of the Sports Centre. There are small additional costs for some classes. Each year Trinity is proud to offer sports scholarships to international students who demonstrate outstanding ability.

There are 50 sports clubs to choose from including: aikido, badminton, basketball, boating, boxing, climbing, cricket, cycling, equestrian, fencing, Gaelic football, golf, handball, hockey, hurling, judo, karate, kayaking, tennis, rugby, sailing, soccer, squash, surfing and bodyboarding, swimming, table tennis, taekwondo, trampoline, ultimate frisbee, triathlon and volleyball. Find out more at: [www.tcd.ie/sport](http://www.tcd.ie/sport)

**Restaurants and Coffee Shops on Campus**

Students can choose from a wide range of restaurants and coffee shops on campus to suit all tastes and budgets, including:

- The modern Buttery Food Court with a hot food counter, deli counter, and gourmet coffee shop.
- The Old Dining Hall, where lunch is enjoyed in traditional splendour, but with a student budget in mind.
- The Pavilion Bar serving hot food all day, for breakfast, lunch, and dinner.
- The Perch, a brand new café in the Arts Building
- Coffee shops in the Hamilton Building and Áras an Phraesigh.
- Forum Restaurant is a state-of-the-art dining outlet located in the Trinity Business School.

See: [www.tcd.ie/catering](http://www.tcd.ie/catering)

**An Ghaeilge/The Irish Language**

Irish language and culture is a vibrant aspect of campus life and Trinity offers a rich and varied programme of events, as well as learning and social opportunities through Irish for students of all levels of ability. Free Irish classes, from beginners to advanced levels, are offered to all students. For more information, see: [www.tcd.ie/gaeloifig](http://www.tcd.ie/gaeloifig)
A Sustainable University

Trinity is ranked 14th in the world for global impact in the Times higher Education (THE) rankings 2020 for the implementation of the UN Sustainable Development Goals.

In a world with finite resources, Trinity offers students a variety of ways to learn how to live sustainably, and to develop the kind of innovative thinking and adaptability to enable you to thrive in a rapidly changing world. Trinity’s academics and researchers are global leaders in subjects such as climate change, nature based solutions, biodiversity, environmental science, smart technology and engineering.

Our commitment to sustainability is evidenced in key milestones over the last 15 years, such as:

- Student-led plan to reduce disposable plastics on campus (2018)
- Divestment from fossil fuels, following a student-led campaign (2017)
- Trinity is a Green Flag Campus for the last 8 consecutive years.
- 50% reduction in paper consumption (in the last 9 years), 46% reduction in water consumption (in the last 11 years) and 28% increase in energy efficiency (in the last 14 years)
- 98% of staff and students use sustainable transport (public transport/cycling/ walking) to commute.

Students actively participate in imagining, driving and implementing campus sustainability initiatives through the Students’ Union, Student Sustainability Network, Green Campus Committee, Young Greens, Vegan Society and the EnviroSoc (Environmental Society) to name a few dynamic groups.

The Students’ Union and Graduate Students’ Union have Environmental Officers devoted to supporting and responding to environmental and sustainability issues. We hope you will choose to join your energy with ours to create a more just and verdant world. Find out more at: www.tcd.ie/provost/sustainability

E3 - Balanced Solutions for a Better World

Trinity has embarked on an ambitious project to expand education and research activities across three of its Schools; The Schools of Engineering, Natural Sciences, and Computer Science & Statistics. This expansion is being executed as a single strategic activity in the area of “Engineering, Environment, and Emerging Technologies”, or E3.

At the forefront of this expansion will be the new Martin Naughton E3 Learning Foundry, a state of the art 7,256 square metre new learning facility based on the main Trinity campus, which will deliver new teaching facilities and an innovative interactive learning space for undergraduate and postgraduate students.

With our leading research professors and staff, graduates will become co-creators of their futures and that of generations to come. Together they will seek out ‘balanced solutions for a better world’ and enable society to live on this planet in a more sustainable and equitable way.

E3 will position Ireland at the forefront of fields of research in Science, Technology, Engineering, and Mathematics (the STEM disciplines), that are crucial for future economic competitiveness. It will educate engineers and scientists for employment in existing and new technology sectors, equip them with the skills and attributes to lead in the creation of new businesses, and place Ireland in a leadership role globally for the quality of graduates in the STEM disciplines. Find out more at: www.tcd.ie/e3

E3 is partially funded by the Project 2040, the Irish government’s long term overarching strategy to make Ireland a better country for all of its people.

International Student Supports
Trinity is an exciting place, full of opportunities to learn, make friends, and experience new things. While Trinity delivers world class courses, it is not just about your academic development: we also want Trinity to be a place where you can develop socially, responsibly, culturally and personally.

Our student support services are here to help:
▶ Student Learning Development
▶ Student Counselling
▶ Student Health
▶ Careers Service
▶ Disability Service
▶ Academic Registry
▶ Students’ Union and Graduate Students Union

International Student Supports
We also have specific support services for international students.

Trinity Global Room
With two full-time Student Support Officers and a team of student ambassadors who are a mix of Irish and international students, the Trinity Global Room is a great first stop for students with questions about navigating Trinity, Dublin and Ireland.

Find out more at: www.tcd.ie/study/international/trinity-life/global-room.
Contact us at: tcdglobalroom@tcd.ie

Airport Meet and Greet Service
New international students arriving at Dublin Airport can avail of this optional, free service. You will be met by a current student at the airport and shown how to get to Trinity’s campus or to your accommodation. Find out more at: www.tcd.ie/study/international/trinitylife/arrival
Note: subject to COVID-19 restrictions.

New to Dublin
The Global Room Ambassadors run this programme at the start of the academic year aimed at undergraduate students who are new to Dublin. The groups meet in the Global Room every Monday evening for the first six weeks of term and cover everything from Dublin grocery shopping and public transport to making friends and adjusting to Dublin culture. They also run a ‘Getting to Grips’ programme aimed at postgraduate students.

International Student Orientation
During Freshers’ Week, Trinity runs a series of sessions for international students addressing cultural adjustment as well as practical concerns such as banking, health insurance and immigration. Find out more at: www.tcd.ie/orientation

International Societies and Clubs

Discover Ireland with the International Student Society
The International Student Society promotes communication between the Irish students of Trinity and those coming from abroad and now has over 500 members. Events include social nights, talks and presentations, film screenings, day trips and weekends away. This is only one of the many international societies on campus.

Trinity Smart Start Programme
This week-long programme is designed to introduce new international students to Irish history, literature and culture as well as help students adjust to life in Trinity and Dublin. The course runs the week prior to Freshers’ Week and details can be found at: www.tcd.ie/study/understandingireland
Career Support for International Students

Career support is available for students looking to gain work experience while studying in Trinity, as well as for students looking to translate their experience in Trinity to a career back home or internationally. The Careers Service provides career guidance, advice and feedback on job applications and interview preparation and organises employer events on campus throughout the academic year. Find out more at: www.tcd.ie/careers/mycareer/students.php

Personal Tutor

As an undergraduate student, you will be assigned a personal tutor (a member of our academic staff). Your personal tutor will then be available throughout your time in Trinity to offer help and advice on topics such as changing course, deferring exams, appeals of progression decisions, taking a year out, financial difficulties as well as family and personal problems. Find out more at: www.tcd.ie/senior_tutor

Student Mentors

All undergraduate students are assigned a Student 2 Student (S2S) mentor during Freshers’ Week. Your mentor will ensure you meet your classmates during Freshers’ week, will show you around the campus and will keep in regular touch, inviting you to events on and off campus. S2S also offers Peer Supporters, students available for one-to-one conversations on request. They’re highly trained, confidential and very approachable. Find out more at: student2student.tcd.ie

Health Service

The Health Service provides primary care medical services for students.

▶ Student consultations by appointment are free of charge with modest fees for additional services
▶ There are specialised clinics in physiotherapy, psychiatry, travel health, sexual health, smoking cessation and minor surgery
▶ It also focuses on the psychological and occupational aspects of student health and health education.

Health Care Provision in Ireland

All EU students from outside the Republic of Ireland pursuing a full degree programme should contact the Health Service Executive for advice regarding healthcare provision at: www.hse.ie

▶ All EU students should bring with them a European Health Insurance Card issued in their country of origin. Find out more at: ec.europa.eu/social/main.jsp?catId=559&amp;amp;langId=en
▶ Non-EU students are not entitled to free national health services in Ireland and are obliged to take out insurance cover for hospitalisation before leaving their home country in order to register with the Irish Naturalisation and Immigration. In order to register with the Irish Naturalisation and Immigration Service, as all non-EU students are required to do, you must show proof of health insurance to cover any major medical care necessary during your stay. Find out more at: www.tcd.ie/students/orientation/add-int

English for Academic Purposes

Trinity offers both pre-sessional and in-sessional English language programmes for incoming and current students who are non-native speakers of English. Please note places are limited. Find out more at: www.tcd.ie/slscs/english

Sofia Gonzalez Crespo – United Arab Emirates
Undergraduate: Law

“I always dreamed of going to a renowned university. I visited many universities but none of them appealed to me the way Trinity did: through the professors being one of a kind, having state of the art facilities and the community having a real family atmosphere. I instantly knew I wanted to be part of such a great university. I am really enjoying my course, we have a great dynamic and the students and professors are extremely welcoming. I love how quickly I have been able to adapt.”
The best way to explore Trinity’s unique, lively, traditional, urban experience is to pay us a visit and take a tour of campus. Our student-led tours are the perfect way to learn about life at Trinity from a current student.

If you are planning to apply, come visit. To sign up for a tour please visit: www.tcd.ie/study/international/visit
